# **Board Answer Slow** Re Land Release Query

# But Council Will Wait For Advice

Slowness of the Dept of Municipal Affairs in submitting an opinion on a land release agreement with Delrex Developments, Ltd., which George own council has approved, was criticized Monday.

A letter from Harold Bairstow, general manager of Delrex Developments pointed out that the firm had been advised on August 21st that council was willing to draw up a new agreement and his company on Sept. 4th indicated its acceptance and forwarded the agreement for execution.
