

'REMEDY' ADDITION MEANS MORE SCHOOL BOARD HEADACHES

THE GEORGETOWN Public School Board knows the meaning of migraines possibly better than anyone else. Because of the unorthodox development of the east end, resulting when the developer jumped a large parcel of land to build near the town's eastern limits, the board's problems have compounded faster than they can find remedies. The "pocket" of land between Sargent Road and the east end houses has meant shuffling plans for a school between Harrison P.S. and George Kennedy, and consequently school boundaries have been scrambled. Harrison is bulging at the seams but can't add space. George Kennedy, above, has just 7 classrooms added prematurely (arrow) but because some of them are still vacant, permission for that needed school if and when it is feasible, will be tough to obtain from the Dept. of Education.

The Lions Den

Sorry, there was no report last week from the Lions Club but a fellow has to be sick sometime — we were all very pleased to have an old friend out to supper with us last Tuesday, and to hear he has been accepted for membership in the local club. This Lions Cub, I am sure will prove to be a good Lion. Who are the new members? Sam Meltzer by name. Sam needs no introduction to the people of Georgetown. You can see him any day of the week at his daily work in Cotton's Clothing Store, or you can meet Sam and his wife Lee and their children at 18 Shelby St.

According to our bulletin editor, Lion George Mitchell, next Tuesday, Oct. 23rd there will be a directors' meeting at Stan's Restaurant at 8:30. All members are welcome and are urged to attend.

On October 30th there will be no regular meeting as this is the 5th Tuesday of the month, but all candidates who are up for membership are asked to attend a special meeting that will take place at Stan's Restaurant. This meeting is to find out if all candidates are in good health and to find out if they are in good shape to ride the goat on November 6th, because on this date our zone chairman Lion Phil Waite will be on hand to help with the inductions.

Lion John Zorge reported on the Christmas parade and by the looks of things Georgetown is once again in for a wonderful parade. May 1 at this time ask each and every one who is entering a float to register early. Then there is no chance of having two of the same kind in the parade.

Degree Team Acts At Lodge in Guelph

The Degree Team of Halton's Pride L.T.B.A. No. 303, along with other members, travelled to Guelph last Tuesday to confer the White Degree on two candidates, Mrs. Ivy King of Georgetown and Mrs. Violet Whittaker of Guelph.

Mrs. George Greig, the newly elected District Deputy Grand Mistress for the Counties of Halton and Wellington South was duly installed. The local Lodge is celebrating their Anniversary this month in the form of a Pot Luck Supper and are expecting visitors from the Supreme Grand Lodge and also the Provincial Grand Lodge.

Bob Caseley to Buy Joe's Taxi

A local taxi business will change hands soon.

Monday, council okayed a taxi licence for Robert John Caseley, 34 John St. E. Mr. Caseley in his application, said he is purchasing the business of Joe Martinuk which has been operated as Joe's Taxi.

The application was opposed by Cr. Jim Emmons who said the fact that Mr. Caseley would be employing another man in his business contravenes a zoning by-law clause, but other councillors did not share this view.

Cr. Fred Harrison said that with two taxi businesses changing ownership in recent weeks, he thinks council should consider a new taxi by-law which would regulate more phases of the business than the present one which provides only that an operator have proper insurance.
