MR. AND MRS. TERRY WALKER

SMELA MARION MAJUERY, daughter of Mr. and Mrs. Victor Majury, 84 Guelph St., Georgetown, became Mrs. Terence Victor Walker in a ceremony at Knox Presbyterian Church recently. The groom is the son of Mr. and Mrs. Victor Walker, Brampton.

The Lions Den

At a director's meeting last Tuesday, the local Lions had many items on the agenda. Lion Ernie Bodnar chaired the meeting due to sickness of our Lion Chief Bob Brick. Ernie did a very good job and that will prove that we have a good man ready to take the chair next year. That is one thing the local club has and that is a good list of future presidents. Dec. 1st is Grey Cup day and if you have not got your ticket on the Grey Cup draw I am sure any of the Lions will help you out. But you will have to be quick because they are going fast. Your local club brought up the question of a father and son banquet. And after some debate it was suggested to wait till the end of the month so as to give Lion Jim Carney who is in charge of it a chance to line up some good talent for that night. If the townspeople hear some yelling and pleas of mercy on Oct. 6th don't call the police of the fire dept. it will only be the local Lions putting our two Lion cubs through their initiation. Lion Cub Don Gosling and Sam Maltzer think we are fooling when they say that not many can smile after they have been given the works. But with Lion Jim Carney in charge anything can and will happen. We are all looking forward to a well planned gory evening. It is the intention of the local club from now on to let the people of Georgetown know where the money goes that they spend when they support any of the many projects that the Lions put on. I am sorry I am late with the first report but here it is as it was given to me

by our secretary Lion Harold Marshall.

Treasurer's report to the Lions chief and finance committee re trust account receipts and disbursements for the year 1951 - 1952.	
Bank credit, July 1st, 1951	\$ 321.07

NORVAL

Cubs' Guided Tour At Malton Airport

The Scouts and Cubs report a very successful Apple Day with \$70.00 taken in. They were assisted by the Men's Group Committee and wish to thank the Norval and district people who supported them. The next Group Committee meeting will be on Wednesday, November 11 at 8:15 p.m. at the home of Mr. Les Francis.

The Norval Presbyterian W.M.S. held their Fall Thank offering meeting in the Church on Tuesday afternoon, October 23, with the president Mrs. T. McGee in the chair. She welcomed those present, followed by the devotional by Mrs. Taylor of the Brampton Presbyterian W.M.S. Guest soloist for the meeting was Mrs. John Pallett of Erindale, who is toured with two solos. The guest speaker was Miss Irene McVittie, a 2nd year student at Ewart College, Toronto. She spoke on the activities of the new college and her summer work in Winnipeg conducting summer vacation and Bible Schools. She was introduced by Mrs. R. Duncanson. Mrs. C. King McClure gave the dedicatory prayer and Mrs. Harold Reed thanked all those taking part. Rev. R. Duncanson closed the meeting with prayer, after

which a lovely lunch was served in the church hall with Mrs. Andrew McClure, Mrs. Clure Archdekin and Mrs. Nelson Robinson in charge.

Mr. and Mrs. Harold Lyons, Mr. and Mrs. Clark Lyons, Norval, and Mr. and Mrs. H. Reid of Orangeville, attended the christening of Laurie Edith Beatrice Reid at Westdale United Church, Hamilton on Sunday, October 21. They were also guests of the baby's parents, Mr. and Mrs. Hugh Reid of Hamilton, for dinner, following the christening. Mrs. Reid is the former Edith Lyons.

Little Janice Pomeroy, the daughter of Mr. and Mrs. Peter Pomeroy, was rushed to Georgetown & District Memorial Hospital last week when she became very ill from eating an undetermined number of aspirins. She was later removed to the Sick Children's Hospital, Toronto, where she spent four days but is home and better now. Her sister, Christine, also ate some of the pills but responded to first aid at home.

Come and get 'em!

Firestone

WINTER RETREADS

You'll need safe winter traction SOON...

BUY NOW and SAVE

Now you can enjoy the safe, sure traction of Firestone's famous "Town & Country" tread for less than half the price of new tires! This deep-biting tread with its action-angled skid resistors will take you through the worst winter weather. Order yours now. Drive in and reserve a pair or have them installed now. Our stock won't last long at this price. And when those are gone, we can't guarantee that we'll get more.
