

# Revamped Juveniles are Now Ready for Action

With Freddy Harrison of the wing skating, shooting and passing, the local juveniles start their schedule Thursday night (to-night) against Brampton. Fred, who has had outstanding success in the last four years with the local Brampton team, is stepping up this year to guide the Georgetown juveniles. This year the team will have a complete face-lift, three-

## CAMERA CATCHES CAMERON KILLING CHANCES

J. D. CAMERON sweeps the puck off the stick of Dundas sniper B. Lauder, while Moe Zabadiuk covers his check from behind. Cameron and Zabadiuk were two of the new people in Raiders suits Friday when the locals opened the schedule with a 5-3 win over Dundas Graftons. Cameron was so sharp in practice that Raiders' officials felt they could afford to drop Alf Trotte. The red-headed puck eater made them look like geniuses Friday.

—Peter Jones, Georgetown

GORD THOMPSON, Dave Irons, Gerry Inglis and Blake Inglis protect J. D. as he dives to keep Dundas from tying the score. This action came during the last minute of play with Georgetown guarding a 4-3 edge. Seconds later Gord Thompson threaded a shot through a maze of skates at centre ice and into the empty Dundas net.

THE THROG HAS ENDED BUT THE "MALADY" LINGERS ON. —Peter Jones, Georgetown

THE CROWDS AND the shouting are over, but the die-hards still have the football fever at G.H.S. The 1962 schedule terminated last week when Georgetown shellacked Acton 30-0, but the gridiron game still holds prominence at P.T. time and the chill post-season air around the brick brain factory is still being liberally filled with footballs. Above is a piece of the action in the league finale. That's John Pennock diving over the pile of bodies for the Rebel's second touchdown.

Glenn is expected to add scoring punch up front. This line looks like it will be one of the fastest lines in Tri-County.

Ken Morrow controls the most line. Kenny looks like All Star potential in practice as he is skating like a pro. On right Jack Hopper, who is back for his second year, is also a speedy, shifty player. Holding down left wing is Billy Campbell, who has been shifted from centre and is expected to be a 20 goal man this year.

Bob Kenneth controls the other line and Bob is hustling like a buzz saw. What Bob lacks in size, he makes up in aggressiveness, and is the most aggressive player on the team. Bob backs down from no one, big or small, and is expected to be one of the spark plugs of the team. Right wing will be patrolled by Jim McNeiven and Jim looks like he is in for a good year. Jim is always dangerous around the net and will be up near the top in the scoring race. Left wing will be either Fred Hills or Don MacFarlane, and both these boys are digging in practice.

The managing of the team will be shared by Norm Lockhart and Jack Gudgeon, Sr., and it is felt that Norm will be the steady influence on this team. Trainer will be Gord Lee who was outstanding in last year's team and is also a star football player for G.H.S. Last, but not least, Jack Cuthbert is convener for the team and will be a valuable addition.

All that is needed to make this the most successful team and year in Juvenile history is fan support. Customers will be rewarded with good hockey entertainment and help the members of Georgetown and district. Game time tonight 8:30.
