Like Hil  
 There may have been some  
 witches and spooks left on  
 Friday night but not one ap-  
 peared at our dance. All we  
 had was a room full of the  
 swingiest coolest cats ever  
 assembled in one pad. No  
 kidding, the Beatniks were  
 all out in full swing just dan-  
 cing up a storm. Some of the  
 dress was just too much like  
 out of this world. Almost ev-  
 ery one dressed up for this  
 special occasion. We even had  
 a pumpkin that sat on the ta-  
 ble near the stage and gave  
 everyone a welcome dirty  
 eye as they danced by.

Of course we can't forget  
 the fabulous job the Lucernes  
 did on the music end of the  
 deal. Naturally, they were as  
 fabulous as usual, but they  
 are also nuts which helped a  
 great deal to make the dance  
 the big success it was.

It's Interview Time  
 Get ready people cause it's  
 that time again and this week  
 for you I have the inside story  
 on a band I met at Saturday  
 Dance Party in Brampton. Oh!  
 had it isn't just any band, nope  
 it's the one, the only, COUNTRY  
 VICTORS. First of all I would  
 like to give you a little back-  
 ground on these boys. There are  
 four of them, all single and all  
 very nice looking. In the origi-  
 nal Country Victors there were  
 5 but 2 left and that left them  
 with only 3. Then they picked  
 another guy and now you have  
 those peepin' and hidin' boys  
 that bring you the bestest sou-  
 nds around. By the way Peepin'  
 and hidin' is the name of their  
 latest record. I am sure you  
 have all heard this current hit  
 and I know you all like it. All  
 the boys hail from Peterborough  
 and were friends before they  
 hit the recording business.  
 There is no story attached to  
 how they got started. All of  
 them could play an instrument  
 and I guess one day someone  
 said let's form a band and so  
 they did. Now we get to the  
 individuals.

Fred Munro is the piano  
 man; he is 19 and attended  
 P.C.V.S., College and Ryerson.  
 In the beginning Fred played  
 the guitar but later he switch-  
 ed to the piano for which he  
 had no training and has been  
 doing a fantastic job on it  
 ever since. He sings a couple  
 of the songs they play, but the  
 one I like best is "Great Balls  
 of Fire." This was made a very  
 big hit quite a while ago by  
 Jerry Lee Lewis but I feel  
 even Jerry would have to com-  
 pliment Fred on the fantastic  
 job he does.

Bob Dixon plays the bass  
 guitar and has done so ever  
 since they started. He is 21  
 and attended P.C.V.S. Bob is  
 "kinda" a teacher in the group.  
 He helps out the guys when  
 they are learning new songs  
 and is sort of the "daddy" of  
 the group. Bob does a bit of  
 background singing, but his  
 main part in the group is as I  
 said before, the guitar. Now I  
 could go on forever telling  
 you how truly fabulous he is,  
 but to believe it you have  
 to hear it. — It's just, well  
 WOW.

**Men Work on Rink

Mrs. Kelvin Johnston official-  
 ly opened the fall bazaar held  
 by the United Church Women

 gift suggestions, novelties and  
 decorations, knitting, sewing

 the various booths pleased an  
 enthusiastic group of shoppers.

 skating rink at the church. Fur-

**102nd Anniversary for  
Ashgrove Congregation**

The one hundred and second  
 anniversary of Ashgrove United  
 Church was observed on  
 Sunday, Nov. 2nd with a good  
 attendance at both services.  
 The front of the church look-  
 ed lovely with bouquets of  
 white and var-colored chrys-  
 anthemums. The choir sang  
 special numbers also, and in  
 the morning Sandra Carney  
 and Adrienne Nurse sang a  
 duet. The visiting minister,  
 Rev. D. M. Springer, assistant  
 minister of Grace United  
 Church, Brampton, spoke on  
 "Redeeming the Time" His  
 Scripture was from the 5th  
 chapter of Ephesians and he  
 said his message on verses 15,  
 16 and 17 was to have today,

 with rare prejudice and so  
 much hunger in the world he  
 mentioned some evils of our  
 day. We are so busy rushing  
 everywhere we forget that  
 both time and money are God's  
 gifts to us. Everyone is living  
 in such an atmosphere of im-  
 mension dance was won by  
 Tom To us God is giving a  
 victory over evil and he con-  
 cluded each one has to face  
 it and like the Master said,  
 "Seek and ye shall find." At  
 the evening service the choir  
 was assisted by the beautiful  
 voices of the First Baptist Male  
 Quartette from Georgetown,

MIDTOWN MEMBERS  
 frowned on rule infractors but Friday night the teenies waived the most-formal regulations and emulated the leotard, baggy sweater and toilet neck set. It was Beatnik Nite and typical of the drab garb is Mary Jane McPherson's ensemble. This week it's back to conformity.

Island, U.S.A. they played in a crowd of twelve thousand and have performed with just about every pop singer and group in the business. They have done a tour of the Mid-West and hit such places as New York, Buffalo and Chicago. Bringing them up to date is a five year contract they just signed with the Coral Recording Co.

The show these boys put on is just out of this world. It had people moving so much one young man fell off his chair (Isn't that right, Fred). And things got so hot on the stage Danny had to do a couple of his numbers standing on the piano.

Personally these guys are crazy I mean that, they are absolutely nuts. Only it's a kinda craziness that every one catches, and this is one of the reasons these boys are liked so much. I asked whol teen age what she thought the general public would like to know most of all about these guys and she said their telephone numbers. I'm sorry but that was not available to me (private joke).

Well people, that's about it for this week.

Boys, try to remember to wear the shirt and tie or the sports jacket to the dance this week, as nobody, BUT nobody gets into the dance without it (except the girls).

Good bye all.

Thirty per cent of the people working in the General Motors plants at Oshawa live outside the city and drive to work daily from within a radius of 30 miles.

**How do I save?**

When it comes to saving here's a trick worth knowing. Avoid writing cheques against your Savings Account. Impossible? Not at all! Open a **Personal Chequing Account** at the "Royal".

Use this account for paying bills. Keep your Savings Account strictly for saving. The bank calls this the **2-Account Plan**—a sure-fire way to save. It makes sense. Give it a try.
