

### Hockey Midgets Start Season With 3 Wins

Three wins and no losses in the record currently boasted by Georgetown's fast starting midget hockey club.

The Midgets started a night schedule with three games in four nights, the first one on November 7th but by their record the demanding play dates apparently had little effect on the boys.

Nov. 7th at Guelph  
Georgetown 5 — Guelph 3  
Georgetown started the game as though they would skate Guelph out of the arena. This paid off with Mike Cummins scoring from Jim Blair. Mike struck again to make it 3-0, again from Blair. Guelph got one back from Wilson in the second, Ron Lane made it 3-1, with assists going to Dave Shepherd and Marty Wheeler. Shepherd added another with assists going to Al Blair and Bud Prosswood. Guelph got one back in the 2nd period on a goal by Tom Lane.

In the 3rd Georgetown held off a determined Guelph team which closed the gap to 4-3, when Wilson scored. In a determined bid Guelph pulled their goalie but this backfired with Terry Lane scoring a pass from Wayne Davidson. Guelph plays here on Nov. 22 at 7:00.

### Wide Interest Shown in 1963 Bantam Tourney

It's five months away but already the Georgetown International Bantam Hockey Tournament is rolling towards its most successful season.

Tournament director Walter "Red" Asseltine has letters from regular attendees notifying him that they will definitely be back, but some of his mail is from centres which have heard of the tourney and want to be part of it. Typical are the two pieces of correspondence below from Massachusetts and Winnipeg.

Since these were received another has come in from Verdun, Quebec.

The Midgets beat Brampton convincingly as in the Wednesday night game it was a team effort. Cummins came up with any other two goal night. Lane also scored twice with Jim Blair having an excellent night with 1 goal and 4 assists. Brampton goals were scored by Williams and Luyten.

November 16th, 1962  
Georgetown 4 — Montreal 0  
This game started out like a renewal of the Martin and McCoy feud and for 3 periods especially hot had more use than the Players bench. There was a total of 23 penalties, con-

Dear Mr Asseltine:  
Would you be good enough to forward all the information and applications necessary for entering a Bantam team from Wellesley, Massachusetts, in the Georgetown Bantam Hockey Tournament to be held during Easter week 1963?

Perhaps, you remember, or maybe someone from your organization does, who spoke to Woody Dumart at last year's Quebec Pee Wee tournament about the possibility of our Wellesley team entering the tournament.

We look forward to hearing from you in the near future.

Sincerely,  
— GUY M. MONROE, JR.

Dear Walter:  
Put us down for a tentative entry for Easter. A couple of our kids live outside the immediate city limits of West Kildonan so we would be classed in your top bracket.

Unfortunately our group is in the middle of a building fund drive so we are committed not to ask any of the merchants for assistance and if we raise any money it will have to be done by the boys themselves.

We have long dreamed of an indoor arena of our own and I suppose in the long run a project of this nature should have priority but a trip east would be a great thing for the kids.

Thanks very much.  
VINCE LEAH

### CLUB MIDTOWN

by Kate

Hil  
I am happy to report that last week's dance was a big success due to the fantastic job done by the Lucernes. The crowd was not overwhelmingly big in numbers but in my opinion it was a good size. Anyway everyone enjoyed themselves. Even when we had records the response to them in the way of singing was something to hear.

Now for this week we have a new band for you. The name of the group is the Nite Hawks and they have a lead singer by the name of Ronnie G who on previous occasions has worked with the Champs, the Fendermen, and Johnny and the Hurricanes. This group has played many a nightclub and worked themselves up to a terrific name in the entertainment world. They have a good style which I know you are going to like and put on a very good show adding to their talent. Anyway, from what we hear they are supposed to be fabulous, so I hope that each and everyone of you will come out this Friday and support this band and your dance.

In the future we see big things planned for Club Midtown, but to fulfil these plans we need your support. We can only bring the best bands in if you support us by coming every week and showing us that you want them. As I said before it is up to you whether we have a good dance or a bad dance. I guess that is why it is so good because we have such a good crowd of kids attending. But we don't want to stop there. We are striving to make this dance as bigger and better as we can but we need your help. "Get the message?"

Well, that's enough for this week just don't forget to come O.K.
