

Win One, Lose One In Midget Hockey

Georgetown Midgets made a score 1 to 1 at the 13:10 mark. Georgetown carried the play into the Burlington end and missed some good chances but Blair in the Burlington net made some good saves.

At the 14:45 mark Georgetown received a penalty for Burlington for tripping. Georgetown came up with a power play, and A. Blair scored from R. Presswood to make it 2 to 1 for Georgetown. Burlington pulled all steps to score but Georgetown played hard and kept everything at Burlington. Tempers started to flare. Blair, J. Blair, R. Presswood, and J. Papiel drew penalties for Georgetown and Burlington. Anderson and Benjamin drew penalties for Burlington. Four stars picked for the game were: "Snapper" Brasley, Rod Presswood, Mike Cummins of Georgetown and A. Humppel of Burlington.

TRI-COUNTY HOCKEY

By W. R.

Tri-County Hockey was founded after a meeting held in the Brampton Arena on Monday, Dec. 30, 1957 to discuss the revitalizing of Juvenile hockey. From a 4 team Juvenile League (Milton, Brampton, Orangeville and Oakville) Tri-County has grown to a 42-team Juvenile Midget, Bantam, Pee Wee and just lately Novice, as proposed by Georgetown's Tri-County Representative group.

We try to run a league devoted to clean hockey and our growth will substantiate this statement.

Georgetown has teams entered in each of the five sections by the Allstar Major Hockey Support Group. All of whom are holding their own in Tri-County play as the statistics prove.

This coming week is on the road for local teams to Orangeville, Tuesday, and Friday, Nov. 30, exhibition hockey in Georgetown Arena will see action with Galtin Novice, Pee Wee, and Bantam games starting at 7:00 p.m.

Juveniles Blanked By Guelph Squad

Looking like a different team Georgetown went down to defeat at the hands of Guelph this week.

This was Georgetown's first loss and they seemed completely disorganized.

Penalties played a big part in the defeat as Georgetown players seemed to carry a chip on their shoulders all night.

This was a reverse from previous games as Guelph scored three goals with Georgetown short-handed.

Manager Marm Leckhurst and coach Fred Harrison were disgusted with the team's effort as the crowd was the best this year.

They wish to assure hockey fans this will not happen again. It wasn't that they lost the game it was the way they lost it.

Guelph looked very good, outskating and outshooting the local team.

Guelph opened the scoring in the first period with a goal by Mounry. The second period started with a quick goal by Fontaine younger brother of (Canadian's Lou Fontaine) as Ken Morrow served the first of the four penalties he received in the game.

Ruddels of Guelph scored in the second period, making it 3-0 at the end of the second.

From then on Guelph didn't look back scoring three more goals in the last period. Fontaine his second goal of the night and Money his second goal also, with Van Egan getting the final goal to make the score Guelph 6, Georgetown 0.

The only excuse Georgetown had was that they were short handed as five regulars were either hurt or away for the game.

Brad Bennett seemed to be the only Georgetown player playing his usual hockey.

Georgetown served seven penalties, four in Morrow and singles to Bennett, Korzack and Haddall, compared to 3 for Guelph.

There is no game in town this week but two games a week, Orangeville on Tuesday night and a return on with Guelph in Guelph on Sunday.

Dispute Drops Toronto From Industrial Hockey

Georgetown Industrial hockey league is now down to five teams less this week.

Toronto, which had a dispute with the referees a couple of Sundays back, made it known on the weekend that they would have no part of any group that endorsed such odorous officials. They and failed to show for their scheduled appearance against Glen Williams. Apparently they'll boycott the league for the rest of the season leaving league officials with some schedule juggling on their hands.

The incident that sparked the Toronto tantrum occurred at the end of a game with Superior Leads on Nov. 18th. The score was tied 5-5 at the end of regulation game time and the referee declared there would be an overtime. Toronto captain, Nick Nowoski, who would have liked to settle for a split, argued and drew a two minute penalty. He continued and drew ten minutes, and finally Superior were awarded the game.

The Glen took advantage of the late time to practice. In the only two games played, Oakville pulled an upset by edging Superior Leads 3-2, and Norval walloped Standard Products 6-1.

OAKVILLE 3 - SUPERIOR 2

Speck's goal from Craig and Hamber late in the game broke the 2-2 tie and handed Superior their first setback. Bud Gully scored Superior's first period goal from Bob Leflane, and Craig tied it from Whittaker halfway through the second.

First Defeat in Midget Hockey

Thursday, November 22 saw Georgetown Midgets suffer their first defeat, at the hands of a short handed but very determined team from Guelph. They brought only nine players. This was enough to earn a 3-2 decision.

Georgetown had a lot of trouble right from the beginning, as close checking by the Guelph team seemed to throw them off stride. Georgetown's goals in the first period were by Mike Cummins from Terry Lane and Al Blair, and Rod Presswood from Jim Blair.

There was only one Georgetown goal in the second period, Rod Presswood unassisted and three penalties, Marty Wheeler, Doug Malcolm and Jim Blair getting the gate.

Georgetown tied it up at 4-4 in the third period on a goal by Doug Malcolm from Marty Wheeler and Ron Lane, only to have Guelph score their fifth a few minutes later. Time ran out on Georgetown as they swarmed all over the Guelph net. Jan Papiel, Marty Wheeler, Wayne Davison and Mike Cummins picked up penalties late in the third period and that didn't help the cause.

Next game in the schedule is in Burlington, Saturday, November 24th.
