### OUR DISAPPEARING CITIZENS

THE MUNICIPAL RECORDS won't show it but with every heavy snowfall Georgetown's population loses by about 500 citizens. Probably not worth recording since when the sun shines warm the population dips by the same number. They're short lived people like Whitney shown here enjoying the company of Cathy and Candy Moran of Weber Drive.

### STEWARTTOWN

#### COMMUNITY LOSES 3 PROMINENT CITIZENS

There are times, perhaps a day, perhaps a week, when as a community we feel a keen sense of loss in the passing of a dear one and familiar friend, and such was the past one.

Mr. Ern Halkin, with his happy outlook on life, belonged here through his work, as secretary treasurer of the school board and the friendships he had made, and Mr. Bill Town send as Esqueving Road superintendent, was a real part of the township team. Both men will be greatly missed, and on behalf of the community we convey our sympathy to the bereaved families.

Sympathy of the Community is also extended to Mr. Fred Armstrong and family and Miss Helen Armstrong, whose father Mr. Joseph Armstrong passed away in Georgetown and District Memorial Hospital early Saturday morning.

District Deputy Grand Chief Patriarch, T. S. Pedersen, installed the officers of York Empire 112, in Aurora on Wednesday evening, Nov. 21st.

Aubrey Grant was installed as Chief Patriarch, other district Oddfellows installed as officers were Wm. Hunter, 2nd Watch and Jim Collier as Inside Sentinel.

Mr. and Mrs. Jack Corps and family of Scarborough and Miss Annie Brown of Agincourt were Sunday visitors with Mr. and Mrs. Wm. Humphreys.

Mr. and Mrs. C. A. Grant attended the christening ceremony in Kingston United Church on Sunday, Nov. 25th, when among the many babies baptized by the Rev. Stewart East, and the Rev. Andrew Myles, was Marjory Anne, infant daughter of Mr. and Mrs. L. A. Fach, the former Anne Patterson.

Following the ceremony, the guests attended a buffet supper at the Fach home on Judson St., Toronto.

Recent visitors with Mrs. H. P. Lawson were Mr. and Mrs. Wm. Lennon of Puslinch and Mrs. Andrew Robson of Melford, Sask.

### LIMEHOUSE

**ACCIDENT VICTIM IS HOME FROM HOSPITAL**

We are pleased that little Archie Bos was well enough to return home from hospital on Saturday.

The W.M.S. met at the home of Mrs. J. Noble the evening of November 13, with nine attending and vice-pres. Mrs. Roughley in the chair. Mrs. Gladys read Scripture and Mrs. Mitchell lead in prayer.

Those present read articles or poems appropriate for Remembrance Day. Mrs. Mitchell, the president, voiced her thanks to the vice-pres. Mrs. Roughley for carrying on in her absence for several months of illness.

Roll call was answered by a favourite verse of Scripture and "exalt" was text word used in another verse. The meeting closed with the Missions Benediction and the hostess served lunch afterwards.

Mr. and Mrs. Simmons spent a couple of days at Petawawa this week.

The sixth meeting of the Limehouse Slumberettes was held at the home of Joy Patterson with nine members attending. The discussion was based on the care of feet and legs. The meeting closed with a light lunch.

### BALLINAFAD

#### Ladies Hear of Work in Western Mission

The United Church Women held their November meetings on Tuesday of last week. Mrs. T. Gibson was the hostess for the afternoon unit and Mrs. A. Lister for the evening. Mrs. J. Black was in charge of the missionary topic of both meetings and in place of the chapter from the study book on the "Rim of Asia" a set of slides which had been received from Rev. and Mrs. C. McBratton were shown. These were most interesting and especially the script and commentary on their work in Urania City was enjoyed by all. The worship part of the program was taken by Miss Hills in the afternoon and by Mrs. F. J. Short in the evening. All the singing for the Christmas Bazaar was brought in to each meeting and plans were discussed for two catering events taking place between Christmas and New Years. Lunch and a social time was enjoyed.

CGIT met for their regular meeting in the church on Monday night. Mrs. Black took the worship service and the girls made plans to take part in the Christmas Sunday even candle lighting service and also decided to make donations to the "Church and take" table at the church bazaar. The evening closed with taps.

Mr. Tom Mack visited with friends in Milton for a few

### WHAT COUNCIL DID

#### Honorary Membership in Industrial Group

An honorary membership was extended to Mayor Sargent in the newly-formed Georgetown Industrial Association in a letter to council Monday. The letter said the association hoped the mayor or a council representative would attend future meetings, so close liaison could be maintained between the group and local government.

When the mayor said he hoped council would accept the invitation. Deputy Mayor Hunter complained he had never been invited to a meeting, and this caused a discussion about whether the letter referred to all council or just the mayor.

Reeve Elliott asked if the meetings were held at the home of Mrs. Hinkley.

### Hydro Change

The one I attended was at North Halton Golf Club" replied the mayor, who said he had been invited to a discussion on a contemplated hydro change which will affect the industry in the next few years.

Council decided to ask the industrial group for clarification of their invitation.

Days last week.

Congratulations to Rev. and Mrs. Boston on the birth of a daughter of the Municipal Hospital in Urania City.
