**Councillors Criticize
Turndowns on Insurance**

Turndown of insurance claims by 18 property owners whose homes were damaged by an overflowing sanitary sewer recently was criticized by two town councillors Monday.

Cr. Bob McNeilly said that while the company which handles Georgetown's liability insurance termed the damage an "Act of God" because of heavy rainfall, there had been another rainfall since with no sign of similar trouble.

"I understand there had been some form of housecleaning between storms which indicates the towners should have been cleaned out earlier," he said.

Cr. McNeilly said council should meet with the insurance firm and find out what grounds claims were turned down.

Slip Out

Cr. Jim Emmerson said the report of the works superintendent should be turned over to the insurance firm.

"This stated that the town was somewhat to blame and I think the company is trying to slip out from under on their claims," he observed.

Asked by deputy reeve Hunter if there is a policy which would cover such damage, Mayor Sargent said the premium would be beyond the town's means to provide.

Cr. Rex Cook said he has checked and no claims have been paid for such damage in the last three years. He cited two cases in Windsor and Toronto where the court had ruled that while the municipality was morally responsible, it could not be held liable because the premium is too high to carry other types of insurance.

Mothers Receive Day for Shopping
Realizing that mothers never have enough time to prepare for the holidays, last year Des Plaines, Ill., drive-in restaurant and the staff of a near-by school teamed up to give Mom a hand with her Christmas chores.
As a result, on Dec. 14 more than 500 Lions Park School pupils had a chance to address Christmas cards, wrap presents and do their shopping without having to stop and prepare lunch for their children at noon.
Instead of going home at noon, the youngsters got their favourite food, hamburgers and hot dogs - in their own classrooms.
Stanley Kellern and his son in law, Cy Padiach, who operate Henry's Drive-In, Des Plaines, delivered 455 hamburgers, 215 hot dogs, 545 orders of french fries, and 475 milk shakes to the school.
"Without cafeteria facilities in the school building," said Fred Reimann, Lions Park principal, "this was the best way of handling our present to the mothers."
For Kellern and Padiach, the big order for a worthwhile project was, as they put it, "All in a day's work" - that is, a good day's work.
