### PRETTY MAJORETTE CAUGHT EVERYBODY'S EYE

ONE OF THE MANY MAJORETTES that decorated the parade route is this smiling member of the South Central group of majorettes from Hamilton. Though shorter than in previous years, the 1962 Santa Claus parade displayed more colour and more costumed dancers of the above variety.

### NORVAL

#### Christmas Hats Are Modelled by W.I.

The Christmas meeting of the Norval Women's Institute was held on Thursday evening December 6, at the home of the president, Mrs. H. Collins, wearing original creations Christmas hats. The judges had a very hard time deciding the winners as all the hats were very striking and modelled professionally, but Mrs. H. Smellie and Miss Prairie Maguire were selected for prizes. The meeting opened with the Institute Ode, the Mary Stewart Collect and the Lord's Prayer. The Roll Call was answered with a Christmas present for a child under the care of the Halton Children's Aid Society and a large lamp was filled to be delivered to them. Plans were made for sending elderly shut-ins Christmas plants. The program consisted of an exchange of Christmas ideas and recipes. Mrs. K. Webb donated her Christmas table decoration for a lucky draw which was won by Mrs. H. Gollop. A singing of Carols was enjoyed, after which the exchange of gifts was held. A lovely lunch of cake, ice cream, cookies and tea was served by Miss Prairie Maguire. Mrs. Taylor and the hostess. Next meeting will be on Thursday afternoon, January 10 in place of January 3, at the home of Mrs. W. Graham, Georgetown.

The Norval Presbyterian Church W.M.S. held their regular monthly meeting on Wednesday afternoon, December 5, at the home of Mrs. Arthur Clark. Mrs. Andrew McClure was in the chair and Mrs. Herb Anthony was in charge of the Christmas program. She led in prayer and the Scripture lesson followed by a responsive reading. Mrs. Oliver Hunter and Mrs. R. Crawford assisted the hostess in serving lunch and a social time was enjoyed.

The Men's Group Committee for the Norval Scouts and Cubs met on Wednesday evening, October 3, at the home of Fred Pendley. It was decided to purchase a wolf head for the Cub pack. Ken Rider reported for the Scouts that they had enjoyed a trip to the Museum in Toronto on November 23 and plans are being made for a winter hike. A "Family Night" on February 22 and a Church Parade on February 24 for the Scouts, Cubs, Guides and Brownies was discussed and preliminary plans were made. Lunch was served by the hostess. The next meeting will be on January 9 at the home of Keith Webb.

The H-C Group of Norval and Glen Williams United Church held a meeting in the Norval church on Sunday evening, December 9th, with Rob Murray in charge of the program. A discussion was held on "rumors and half truths" and how they are spread. Plans were made for a Christmas Season party to be held in Glen Williams on Decem-

## Growing School Enrolment Creating Harrison Problem

Optimum capacity is creeping closer at Harrison Public School with every enrolment there and a principal's report for the month of November showed that the total registration there had increased by 8 since the previous month. The total now at Harrison is 627. For comparison, Howard Wigglesworth had 428, George Kennedy 411, Chapel St. 346 and Park 292. What happens when the saturation point is reached at Harrison is still the \$64 question. At the December meeting of the school board last Wednesday planning committee chairman Bill Carr made it definite that a sixth public school will be needed by next term. On a map forecasting the town's growth this one is pencilled in on DeLair Blvd. at a point half way between Harrison and George Kennedy, dead centre of an area which has not been released for house building and probably won't be for some time.

An addition to Harrison would be an effective temporary measure, but the construction of a new school would add heavily on Harrison's enrolment leaving empty rooms. Trustee Don Powers pointed out that enrolment has been growing steadily in the old part of town as well. Since June registration at Chapel St. has increased by 30. Overcrowding there is of little concern however, since portable classrooms originally earmarked for use in the Moore subdivision are available if needed.

**Made Promise**  
The school board's finance committee headed by Trustee Stan Finlay could well tutor other finance committees in budgeting according to Board Chairman Ed Wilson. Mr. Wilson underlined the fact that this year the committee came within one half of 1 per cent of the 1962 budget. Mr. Finlay said that when the budget was struck in the spring it was a tight one, and the school board told council at that time that they would

## Mrs. Robert McCartney Lived Here Many Years

A town resident for many years, Mrs. Robert McCartney died in Bowmanville on Dec. 2, where she had been living with her daughter.

The former Margaret Jane Bradford, she was born near Barrie. With her husband, who predeceased her a year ago, she moved to Long Branch 30 years ago. She leaves her daughter, Norma, Mrs. H. Armstrong, and two granddaughters Viola and Bet-

(y. A son Dalton died recently. Funeral service took place last Wednesday at the Ridley Funeral Home, New Toronto. Interment was in Union Cemetery, Barrie.

—Cancer appears in many forms. It takes an expert like your family doctor to discover if unusual symptoms actually mean cancer.

**All Glowing**  
Year end reports also came from the Property Chairman Harry Shortill, Management Chairman Don Powers, and the Planning Chairman Bill Carr. Chairman Ed Wilson lauded the work of each group and led the excellent condition of the town's oldest school, Chapel Street as a tribute to Mr. Shortill and co-workers. The recently completed revision of board regulations and bylaws by Management, and the illustrated forecasting of Planning also drew praise from the chairman. Trustees-elect John Wolfe and Malcolm Freeman attended the meeting and were wel-

### Going Home for Christmas? Get tickets and reservations now

Plan a dependable train journey. Ask about low weekend fares, group coach rates, gift travel tickets. Consult your local agent.

### Three Accidents In Hornby Area

A car travelling too fast for the foggy weather conditions failed to stop at Hornby corners on Sunday morning. The car missed the barricade and stopped sign but a small ditch stopped the vehicle from hitting Gordon Lee's home. The driver was uninjured. Another car broke a hydro pole off on the 7th line north of the 401 on Saturday night disrupting power. On Sunday there was a four car pile-up on the same road at Agerton corners due to fog.

Five members of the First Hornby Cub Pack were introduced by their leader, Geoffrey Drew-Brook to the First Hornby Scout Troop leader Allan Bye, last Monday night at the regular scout meeting in the Anglican church hall. The boys that took part in the going up ceremonies were Robert Hilson, Glen Lister, John Saunders, Howard Bradley and Clifford Burt. They put on a skit for those attending the ceremonies. Hot dogs, pop and tea were served.

## TOYS for GIRLS

## TOYS for BOYS

- EDUCATIONAL BOOKS FOR CHILDREN
