

CURLING CHATTER

by Bob MacArthur
from the

North Halton GOLF and COUNTRY CLUB

Something new nearly every week out at the curling club. This past week ash trays have been added in the form of balls hanging from the ceiling so that those playing (on the curl) need not have to cross over ice one or four to deposit ball. This is a real convenience and will certainly help to keep the ice surface clean.

Speaking of the red pails last Saturday, one of the old timers suggested another use for the pails, but I'm afraid that anyone who tried to use them for that purpose would be considered no gentleman of Lady. Oh well, it brought out a laugh from those who heard it.

Oliver Hunter had a rick down to Dundas last Wednesday to play in a bonspiel. With him were Caruso, J. Cretton and G. Farrell. They played two games and won both but did not have a big enough score to bring home any prize. They reported that extensive alterations were in progress at the arena, but on Saturday morning the news was that the whole set-up had been led in a fire on Friday evening. I'm sure that the members of the local club offer condolences to the members of the Dundas club in their loss at the start of the season.

A compliment to the ice committee was overheard during the bonspiel Saturday, when a Guelph rink of old timers were taking part in the old timers bonspiel. Said one victor, who has curled here and at many other rinks scattered all over the province: "This is without doubt the best ice I've curled on this year and compares favourably with any I've been on in recent years. True, there are some humps and valleys, but you get that in any ice. This was ice is keen." Take a bow Joe Plume, Russ Kelly and Oliver Hunter, who are in charge of the ice.

A new gadget made its appearance before the bonspiel on Saturday. It is a framework that holds seven or nine curling stones. These are in a staggered rotation that is pushed along the ice to remove the sharp tops of the pebble. This makes for faster ice when you first start to curl and then you don't have to adjust your weight to keep the rocks in the house. I don't know whom N. Robinson is in credit for the idea but I do

Seniors Show Curlers Their Skill at Game

The old men had their day at the curling rink last Saturday. But then you shouldn't call them old men because some of the best curling of the current season took place during the bonspiel and many of these curling were very young at heart. Seems that they enjoyed themselves as much as the teenagers and middle ageders during the play. Teams were present from neighbouring rinks and four local teams participated.

In the nine o'clock draw the winning rink came from Dixie and was skipped by Howard Carr. They were the three game winners and also took the special prize for the oldest aggregate age, which totalled 240 years.

Second winner was the local rink skipped by Oliver Hunter with Nort Nelson, Bob MacArthur and Perc Raines as teammates. Incidentally, Perc was one of the oldest players on the ice. He is well past the age of pensioning and has been retired from the CPR for over a decade. And he was laying the rocks in the front circles as if he had a string from back to ice.

Third prize winners were the Harry McKinney rink from Erin. They were the one game winners in the third game.

In the eleven o'clock draw the rink skipped by Norris Sinclair walked off with the top prize.

Two game winner was Jim Steel and his rink from Orangeville. The team was tied with the Jackson rink for points but took the prize on their plus.

One game winner was the team of Nela Robinson, a local rink. Nela had Harold Cleave, Ben McFarlane and brother Bill on the front end of the rink.

The team with the highest aggregate age in this draw was that of W. H. Hunter of Orangeville. Their ages totalled 204 years. They were presented with brooms as their prizes.

All winners of the bonspiel took home turkeys, ranging in weight from 22 pounds to 12 pounds.

Overheard one rink, when

Novices Win, Lose in Hockey Last Week

Georgetown won hosts to Acton Novices on Tues., Dec. 4th. Acton, though greatly improved over their last appearance here, were defeated 5-1. Most of the scoring took place in the first period. Acton opened the scoring at the three minute mark. Taillefer from Stevenson, Georgetown evened the score a minute later on Ingalls' first. Ingalls scored his second from Foster at 5 minutes.

At 7 minutes Korschak from Gary George made it 3-1, and at the close of the first period, Ingalls scored his third on a pass from Foster. There was no scoring in the second and in the third only one goal, that by Georgetown. Goals scoring as listed by Korschak.

Acton picked No. 2, Grady Hillcock as Georgetown's star and Drysdale from Acton was picked as the star from Acton.

NOTE: Goals and assists are recorded by the game official.

Loss to Brampton

On Saturday, Dec. 8 Georgetown Novices at Hamilton and after an exciting affair, lost in desperation to tie the score in the final minutes Georgetown took out their goal keeper and did everything but tie. They lost it 3-2.

Three goals were scored in the first period. Korschak on a solo effort opened it at 1:15, but Brampton came right back to tie the score midway through the first first, Williams on a pass, Phoe made it 2-1 from Brampton, and in the second at the halfway mark, Brampton made it 3-1. Townsend from Talawa.

In the third Ingalls from Foster clicked and the score stood 3-2. Brampton and Georgetown both began pressing and in this period Burrell in the Brampton net made a heroic stand shutting out the visitors. Brampton chose No. 10, Korschak, as Georgetown's star, and the goal keeper Burrell was picked by Georgetown.

They were taking quite a shellacking, threaten to dunk their skip in one of the three ponds on the property if he didn't get on the beam and hit the broom occasionally. But the old men really enjoyed the opportunity of showing their proficiency with the Scotch (sic) granite.

KID HOCKEY

It has been brought to our attention that there are a number of boys who have not been showing up for Saturday morning games for the past 3 or 4 weeks and have not informed their coach, manager, or league commissioner whether their absence has been due to sickness or injury. League regulations state "Any player missing 3 consecutive games without good reason will be taken off his team and his name placed on the waiting list."

This abstention not only makes it difficult for coaches preparing line-ups, but in the case of goalkeepers it means delaying the game to dress an other player at the last minute resulting in a loss of ice time to the teams involved.

As a result it has been decided any player who has not been attending regularly will be given until Sat., Dec. 15th to make an appearance. If he does not attend he will be taken off his team and his name will be placed on the waiting list.

Yesterday's game in Brampton will probably be the most exciting of the season, the teams played 2 1/2 periods of scoreless hockey with both teams tied 0-0.

744 ing the goalies on numerous occasions, both sides being rebuffed continually.

Brampton opened the scoring at the 7 minute mark of the 3rd period but Frank (Tiger) King evened it up on a clean play Jackie Kemhead made a rink wide rush from his own end. The Brampton goalie had to make a fine save but Frank King floated in to pick up the rebound and made no mistake to even the score.

It seemed this was going to be a tie game until about the 13 minute mark when Brampton made a fine play to obtain the winner. Bob Neal was lifted in favour of an extra forward but Brampton held on to the end. Credit must be given to both teams as they are both well matched and they gave the spectators 50 minutes of good exciting hockey. Well done, Georgetown and Brampton! It is good to be a winner but just as important to be a good loser.

Three stars were picked for the game. Stars one and three
