

TURKEY AND OLD SONGS — WHAT A NIGHT!

NOT EVERYBODY had a bird apiece as John Henderson and skinny friend would have us believe, but everybody did get a heaping turkey plate and entertainment at the annual Senior Citizens Dinner Monday night in Knox Church Hall.

—Peter Jones, Georgetown

ROTARIANS SERVED UP the dinner prepared by Rotary-Anna, but the old favourite songs were served up by this foursome, the Chordaires, a tuneful barbershop quartet. Fred Harp, Grant Goodfellow, Bob Johnston, and Jerry Yelland are members of the Oakville Chapter of the SPEBQSA, which of course is the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America.

CLUB MIDTOWN

by Kate

'Twas the night before Christmas and all through the house, not a creature was stirring not even a mouse. The stockings were hung on the fireplace with care, they had been worn for a week and they needed the air. Well people, Christmas is in the air again, and by the looks of things it is going to be a white one.

Wait, I'm getting ahead of myself. Well, people, the Bluenotes certainly did a fabulous job last week. I only wish there had been more people to see them. Oh, well, there is nothing we can do about it. After all, you are getting the best bands that are around today. The rules are being followed and the dances are terrific so I don't see what more you could want.

That's enough about last week. This week we bring you another first for Club Midtown, the Lincolnaires. I have heard those boys and they are VERY good. Really! I heard them only a few months ago and they are fabulous. I hope every one will come up and see this terrific group.

We have a very special

band booked for our Christmas dance. A band that you have heard but not for a year at least. I won't tell you who they are because if I do, I won't have much to talk about next week.

Also there will be a big change made starting 1963, but you will have to read my column to find out what it is. Well, you can't blame me for wanting people to read this. Oh, yes, before I forget I would like to say to CILA (also referred to as 'The Mob'. Keep up the good work and don't let—(you know who) — my friend (cough, cough, cough) get you down. OK!

If I am confusing some of you, don't worry it is just a private joke and nothing serious is meant by it. As a closing note I would like you all to keep this little thing in mind. The young people of today are Canada's most important natural resource. But to keep it that way, the young people must work for the good of their country.
