CURLING CHATTER

by Bob MacArthur from the

Thursday and Friday saw the end of the pre-Christmas draw. The first eight teams are in the play-offs that will take place this week, with the winner being declared on Friday night after the nine o'clock draw.

Those playing in the Monday and Thursday draw will start the playdowns Monday night and the winners will play two games. The Tuesday and Friday draw will get their games under way on Thursday (tonight). Friday night there will be two games, two teams from each of the draws will play at seven and the winners will go back again at nine against the winner of the opposite draw to declare the club winners. This should make for some of the best games of the end of the week.

The snow and the cold weather has again brought the grounds into use for winter sports to those who do not curl. Sunday afternoon there was quite a lot of snow shoveled off the lower pond and the children were making good use of it by skating. A little more snow on the hills will see the skiers out in full force. It would be an ideal place to try out those skills that you will be getting from the man with the long white beard. And of course, those that like to tramp through the snow will find plenty of rooms to work off that spare tire that has crept around the waist since the golf was packed up for the season.

The decorations over the front entrance are just reminding that Christmas is fast approaching the corner and will be here before another column is published. So here is the same old wish in the same old way, with all the sincerity as if it was an original, "MERRY CHRISTMAS." And may your Christmas be the best ever.

Out-of-Towners

Bonspiel Winners

Of the four local teams entered in the open bonspiel last Saturday, not one of them qualified for the prize. This year's draw was developed into a real sporting match and you just had to miss one stone and you lost the match. Teams were present from Hillsburgh, Erin, Dundas, Dixie, Avonlea, Team O'Shanter, High Park, Hamilton, Burlington and St. Catharines. Oliver Hunter and Norm Nelson were the officials in charge.

The top team in the early draw was skipped by K. Phil. They had a total of 29½ points. Second team came from the Hamilton Thistles club and they had a total of 25 points. The third game winner was the team skipped by J. Johnston from the Burlington club who had a total of 14 points. In the late draw the top team was from the Tam O'Shanter club and was skipped by W. O'Howay. They amassed a total of 33 points. Second winners were the B. McEnery team from Erin. They had a total of 25 points. One game winner and third prize was taken by the Hillsburgh club from the MacCormack Trophy.

This Saturday will see the MacCormack Trophy curling. It is a mixed event and only for the local curlers. There was still some vacancies on the teams Sunday, so better get your name on the list if you want to take part in this popular event.

Many Good Trout Catches in Season

With the ending of the extended Rainbow Trout season on Friday, November 30th, fishermen will well remember the beautiful fall weather that remained in effect till the season closed in 1962. Several good catches were recorded in the Owen Sound area. Mr. John Allan, hydro-employee in the city of Owen Sound, caught one of the largest fish taken in years around the middle of November. The specimen weighed 15 lbs., 5 ounces, just 15 ounces short of the Ontario record of 16 lbs., 4 ounces. This fish should be a prize taker when all returns are in over the Province of Ontario.

North Halton GOLF and COUNTRY CLUB

The turkey industry should declare a dividend this year. The first eight teams are in the play-offs that will take place this week, with the winner being declared on Friday night after the nine o'clock draw.

Eight teams will be visiting the club from Hillsburgh on Tuesday night and the teams from the local club have been selected to oppose them. The list was posted on the board last week and the players selected by draw. These inter-club games always produce good curling and good fellowship. The results of the games will appear next week.

Here is the final standing in the pre-Christmas draws:

KID HOCKEY

J. Vukobratovic

We have not yet received the required number of applicants for the insurance for Saturday Morning Hockey play-offs. We must have at least 75 applicants before the coverage can be obtained. One of the more important features of the plan is the \$50,000 Dental Benefit covering the injury to your boy's own, sound, natural teeth during regular games and practice sessions. Other benefits in the plan include \$1500 accidental death benefit and up to \$1500 medical benefit. The cost of the plan is \$1.00. So, if you would like to have this coverage please fill out the questionnaire that was sent home with your boy and have it returned with \$1 to any member of the Hockey Executive or Coaches at the arena as soon as possible. Well, boys, the January 1st deadline for headgear is fast approaching and after that date no boy will be allowed on the ice unless he is wearing his helmet. So let's all hope helmets come Dec. 25th. This being the last column before the holiday season I would like to take this opportunity to wish one and all a safe and happy Christmas.

Boost County Angler Sports Hall of Fame

Holder of two world championships for spin and fly casting, Bob Hawthorne of Burlington, is on the agenda for consideration by the selection committee of the Sports Hall of Fame. At present the hall is being reorganized to include such sports as casting and sports celebrities who helped build sports in Canada rather than competed in them. Bobby Hawthorne, director of the Sports Hall of Fame would be formed and entered during the winter months.

Hockey Executive Dines at Hawthorne

The Tri-County hockey executive held its annual president's dinner at Hawthorne on Monday evening with about 25 attending. All ten towns in the association were represented with Acton being the only exception.

Tri-County Hockey Executive

Tri-County O.M.H.A. president was present at the meeting and commented on the fine organization that the Tri-County Association had become. Mr. Elms noted that the Association was rapidly expanding and it should recognize its boundaries as the O.M.H.A. further expansion by the Tri-County should be thought of. He discussed with the O.M.H.A. the hope that organized hockey will not bypass any particular town.

BOARD OF DIRECTORS

Face it, some things have to be imported!

But would a buffalo do as well? The trouble is that we Canadians import too much for our own good. We are, in fact, the world's greatest importers of manufactured goods.

Look at these figures which show the average yearly expenditure on imported manufactured goods for the people of four nations:
Canadians—\$235 per person. Americans—\$35 per person. British—\$75 per person. West Germans—\$80 per person.

If each of us reduced our import buying by just \$100 and diverted that money to the purchase of Canadian products, the province of Ontario would gain 600,000,000 vital dollars which would help provide 60,000 new jobs!

Every consumer should satisfy himself that there is no Canadian equivalent before he reaches out his hand for an imported product. By becoming "label conscious," he will probably find that often habit has led him to the imported product. The Canadian product, alongside, may be just as good. Buy that, and help create the 60,000 jobs that Ontario needs for the prosperity of all its people.
