

Awards to Localites By Western Horsemen

Two Georgetowners have been honoured at the sixth annual awards night of the Western Horse Association of Ontario held Saturday at Clappison's Corners.

Roy Lonson receive the Pleasure Horse Award at the affair attended by top equestrians from all over Ontario, and Peter Van Erd was awarded the All-Round Cowboy Championship and the Saddle Bronc Riding title and awards. Unable to be present, the Flying Dutchman was attending a similar night in Ohio where he was being crowned cowboy king of the Mid-Western Rodeo Association.

To earn his award, Roy Lonson, who owns Wynfield Stock Farm, south of town, entered his stallion-Stopper Nick, in 16 Ontario shows and claimed ten firsts, and three seconds. The quarter horse breeder, topped the same award with an outstanding win record in 1958.

A spectacular reined was set by Don Hewitt, 28 year old Galt carpenter, who was awarded the trophies for high points attained in four speed and action divisions.

Lorna Aylett, a Rideville school teacher, was declared Ontario Champion Girl Rider for 1962. The points are amassed from fall fairs, rodeos, and other horse shows governed by the Western Horse Association. Mrs. Aylett is also reserve champion in three speed and action divisions.

Stock Horse

Championship trophies for the Reining Horse, Stock and Trail Horse divisions were awarded Freddy Kuehn of Waterloo Reserve award in the Stock Horse division went to Chuck Aylett of Rideville.

Reserve champion in the province, who also awarded Pleasure Horse and Reining trophies on Saturday night.

Goalie Stands Out in Juve's Orangeville Win

Behind superb goal tending from Doug Vivian the local Juveniles dropped Orangeville Thursday night here. Again the team was forced to play with only ten players but came up with an all-out effort from every player. Orangeville a greatly improved team from the early part of the season was no match for Georgetown.

Jack Gudgeon who played another one of his fine games opened the scoring from Bob Kemshead and Wayne Riddall early in the first period. Glen Cooper scored the second counter from Murray Marchment and Bill Campbell. Glen has been really hustling lately and this time he really paid off in goals. Bill Campbell scored the first goal from a nice play from Murray Marchment and Glen Cooper.

Jack Gudgeon made the score 4-0 coming in on the right wing he faked the Orangeville defence and picked the corner of the net. Bob Kemshead again was in on the play and Bob is improving every time out. Bill Campbell scored his second goal early in the 3rd period and it looks like Bill is starting to shoot more often and it is paying off for him with goals. Jack Hedges assisted on this goal and Jack was digging all through the game.

Breaks Jinx Murray Marchment finally overcame his goal jinx with the last goal. Murray has really had tough luck in the last few games, he couldn't buy a goal. Early Murray had but the goal post several times and this goal was the most earned goal of the game. Now Murray has broken his jinx, coach Fred Harrison expects Murray to hit the twine again. Murray to hit the twine has been a big handicap but this also seems to be getting stronger.

The point getters in this game, Jack Gudgeon with two.

KID HOCKEY

J. Yates

Coaches and managers are asked in future to keep their teams in the dressing rooms until the previous game has been completed. Some players in the past have made a practice of sitting along the boards with their skates and sticks hanging over the edge, creating the possibility of serious injury to players in the game in progress. This practice is also contrary to League Regulation "15" stating that players will not wear skates in seating area and any infraction will mean a one game suspension. So once again, coaches and managers, please co-operate with this problem.

Rather disappointing again last Saturday to the number of spectators in attendance. So come on folks, let's make a special effort in the future. We know you won't be disappointed in the brand of hockey being shown besides the satisfaction you will get by encouraging your boy and his team to win.

Don't forget the Minor Hockey Church Parade Sunday, January 27th. The parade will fall in at 2:30 p.m. with the Georgetown Boys Band in attendance. Parade Marshal will be Com. Dave Bowman, President, Branch 120. Members of Holy Cross will fall in as a group and will break off to attend Benediction at Holy Cross Church. The remainder of the parade will carry on to St. George's Anglican Church for services there. So let's have a real good showing for this special event for the success of Minor Hockey Week in Canada beginning January 26th.
