

## Tri-County Objects To Juves Industrial Play

The flexible Georgetown Industrial Hockey League may shrink back to a five team loop because of protests from the Tri-County Minor Hockey Association. The Tri-County body is objecting to the entry of the Georgetown Juveniles into the league although in issuing their warning to the local Juves they stated no ruling which forbids them from playing in the league.

Juvenile officials are going higher up to get an answer from the OHA.

Norval was handed a rare setback by Oakville in the lowest scoring game of the year which kicked off the three game program. In the other two the Glen whipped Smith and Stone 8-3, and Superior Foods handled the Juveniles 6-1.

Oakville 2 — Norval 1; Glen 8 — Smith & Stone 3; Superior 6 — Juveniles 1. The Juves were beaten by Oakville in the first period, 1-0, and by Glen in the second, 7-0. Superior's lone goal came in the third period.

Glen 8 — Smith & Stone 3; Smith and Stone scored once in each period, but Glen Williams banged in four goals in the first and two in each of the remaining periods to coast to an easy win. Robson from Henderson; from McCandless; and an unidentified No. 18 scored for the losers. For the winners it was Haines from Jarvis; Beckett from Haines and Sedore; Webster from James.
