NO DECISION YET ON FATE OF OLD HOLY CROSS CHURCH

THE FATE OF THE Holy Cross Roman Catholic Church on Queen St. is still up in the air. It was made public last week that a new site will be selected or the grounds of Holy Cross, located on Maple Ave., but no starting date was set. A spokesman said that it has not yet been decided what will be done with the existing church. Rumour was that it would either be used by the church societies or sold.

Mill Manager, Union Protest Crossing Close

Letters from Steve Emerson, president of local 481, IBSPSW and Ross Duncan, general manager of Provincial Paper, Ltd., brought local attention to the closing of the CNR station crossing Monday.

Mr. Emerson in his letter, said, "In the railway, he said, it is obvious that the corporation given to improve the railway crossing names of amounts to the John St. subway persons crossing the tracks. Estimated to cost \$400,000, that generators will eventually think the town's share might also be made. Mill employees to only \$60,000 less than the have been turned into costs of installing an overhead matter, he said, with long-distance footpath in the station vicinity, names to walk to work. And which has also been talked children now must use the dangerous Mountainview road way bridge across to school. He asked for an early reopening of the railway crossing.

Mr. Duncan's letter drew attention to a similar one he had written to council last fall in which attention was drawn in a hardship on company employees going to work, and transportation of materials by trucking firms. He suggested council should question the right of the railway firm to close a crossing used for generations and asked council to review the matter.

Day A Year

The CNR, in a letter, Mr. Hyde considers the crossing a private one and that the right have been protected by blocking at the end of each day. The company does not believe the town's property different from that of the

On Feb. 14, 1963, a group of year collected a sum of facts to find the town's case explained that no paper intended to subdivide the garage collection for the improvement of the stream. He again asked for public co-operation in finding town records prior to 1900. Original records were removed and duplicate contracts were checked stored in private homes. He said, after the town hall was destroyed by fire in the early part of this century. The tract on the other hand, the building stood on the site of the present firehall.

Valuable information of a performance bond which

Challenges Charge For Dumping Waste

A proposed charge for putting waste dumping of industrial waste at the town's landfill site challenged by Bob Lane Separate School was victimized the same night.

Mr. Lane, who formerly held town's waste contract, said the latest tender call specified the contractor was to dispose of all garbage delivered to the area by sanitary landfill.

Air Lane trucks industrial waste to the site and is paid an hour rate by the firm received he said.

Major Importance

Principal Harold Calling said we shouldn't expect industry to pay for burying the waste too," he said.

C. Hildebrandt, who is pub- works chairman has pro- posed the dumping fee ex-

We should write and tell council that the situation is improving, opined Trustee Stan Finlay.

A John Mintern-John Weller motion that the board renew memberships in the Ontario Urban and Rural Trustees Association, the Ontario Trustees Council, and the Ontario Association of School Business Officials was carried unanimously with comment from Trustee Stan Finlay.

Church Parade, Tent Town Features of Scout Week

Emphasizes Water Pollution is Over

Next week will be a solid seven days of Scout and Cub activities, Saturday marking Boy Scout Week, celebrated in a year from February 12th to the 24th.

The Scouts will be kept constantly before the public through three window displays downtown and at the Dales Plaza where they installed in Saturday. Steps to Queen Scouting will be the theme.

Thursday Funeral

He leaves his wife, Louise, and children, Linda, Harold Gordon, Douglas, died suddenly at his home, 35 Weber Drive.

Discoverd By Customer

The break in was discovered by a plaza card, Alice, Joan, Susan, Diana, customer who notified Jim Anne, Lora, Brenda, Bill and Gardner, proprietor of the Peter Delrex Smoke Shop. Mr. Gao.

Funeral service took place

and relayed it to police. On Thursday at Evans' Furniture Store, following the news early the same afternoon, the news came from the residence in Sandringham Park Cemetery.

Board Favours Fencing Remembrance Pk. Pond

Public School Board secretary James E. Lovell was instructed to write council in an attempt by the board to save the Remembrance Park at the corner of Queen and Main Sts. Fenced-in to put an end to the eastern pond but the board would not pond on the grounds.

Action came after Park Public School principal, Mr. Calling told the Board at the meeting Wednesday night another public school pupil had fallen into the eastern pond. The water there is deep enough to sustain a serious

situation.

Mr. Calling said the pupil walked home in the cold, soaking wet and in his stocking feet.

"Kids who go by there on their way home often stop to play even though they're warned," he said. "This isn't the first time to fall in."

Urge Fence

He said the pond was not as much of a hazard in the summer as in the winter, but urged that it be fenced, "even if it is a temporary snow fence."

The board felt the fencing would detract from the appearance of the park and wondered if the danger could be just as well overcome by lowering the water level.

"I'd like to see a note to the council about it," stated Trustee William Carr.

I'd like to see a permanent fence, but barring that even a temporary one in winter I would include," said board chairman W. E. Wilson.

Details of break-in at Harrison Public School were related to the board by the secretary. The burglary occurred the previous Thursday night or Friday morning and whoever gained entry made it pay off, found missing following an investigation was \$25 in Junior Red Cross Funds.

Ransacked Drawers

The perpetrator got into the building through a classroom window, and pried open a cabinet in the secretary's office as well as going through the desk. Signs of the intruder were also discovered in the principal's office where drawers were ransacked. Holy Cross Separate School was victimized the same night.

The dog situation which had gotten out of control at some of the schools has improved but conditions are still not perfect according to Chairman Wilson. He said the owners of the big dogs are remembering to keep their tied, but small dogs are still a nuisance at recess.

Major Importance

Principal Harold Calling said we shouldn't expect industry to pay for burying the waste too," he said.

C. Hildebrandt, who is pub- works chairman has pro- posed the dumping fee ex-

Drain Stream Child Danger

Advised by the public school board of danger to children at the town's Remembrance Park, council on Monday decided to drain the stream which runs through the property as far as possible.

The school board, after saying children had been pulled from the stream this winter after going through the ice, and despite constant warnings at school, it is difficult to keep children from playing in the area. They asked council to consider fencing the property.

Mayor Hyde asked the property committee to consider the proposal. Fencing, he feels, might take away from the beauty of the park and he pointed out that the park stream is no more a hazard than streams in other parts of town.
