**CLOWN AND COMPANY AT DELREX PARTY**

THE EVER POPULAR CLOWN never seems to lose his magnetic qualities where ever children are involved. Here the Pied Piper on ice and friends freeze around the rink at the Delrex Recreation Committee's Skating Party Sunday.

FRANK FERGUSON, a member of the Delrex Recreation Association, offers a frankfurter to little Judy Moriarty, one of the youngest spectators at the Association's Skating Party Sunday. The DRA operates two rinks, one of skating, and one for hockey, behind homes on Raylawn Cresc.

**Outdoor Skating Party Draws 600 to Raylawn**

It was fun for children and parents on Sunday afternoon Feb. 10th, on the skating rinks at Raylawn Cresc. and Gowes Road when the Delrex Recreation Committee held an old-fashioned skating party. The weatherman could not have been more cooperative with sunshine, mild temperatures and no wind, and over 600 people were out to watch hockey games, races, fancy skating and the antics of 'Bobo' the clown, and to enjoy refreshments served from the well-stocked trailer.

The Tykes started off the hockey with the Red Wings edging out the Maple Leafs by a score of 2 to 1. Tony Harold and Tom Hannah were the goal getters for the Wings with Jeff Darby hanging on in for the Leafs. Many years ago, when I was a boy I heard the fable about "The Boy Who Cried Wolf". Now after years have passed, the fable is again making an appearance but with a new twist. Boys aren't crying "wolf", but farmers are.

Like the original story, this story has a moral too. In the past two years I have personally heard on three occasions that wolves have made an appearance in large numbers in areas highly populated with livestock.

Fearing a high loss of live sheep, the farmer has made there's dead-eye Dick, (two sheep first and opens his eyes newspapers for the help of one later,) and then there's the wolf of his (both farmers and wolf die (he knows the enemy's enemies), the hunter, out front and shoots everything in most cases I believe, he that moves.

But the farmer's harsh words about stupidity, inconsiderate, all walks of life. The beginning of these hunters. By then they have fallen back and left the sportsmen to take the time to contact the farmer to arrange to hunt these wolves that are threatening his livestock.

Thousands of sportsmen in Ontario are members of clubs that are in turn members of the Ontario Federation of Anglers and Hunters, who as Canadians are pledged to save and faithfully defend from.

**Bowlers Seek Title For Eastern Canada**

The top qualifier for this year's Eastern Canadian Area Finals was Steve Balcourt of Guelph Bowling Club. He topped his competitors with a 146 game score of 1485. Other top qualifiers competing at the Georgetown Bowl this Sunday are: MORRIS DIAMANTI, 1371, Lakeshore Bowling Lanes; ACE BAILEY, 1346, George town Bowl; BERT LESLIE, 1337, Streetsville Bowling Lanes; JEFF FRYER, 1332, Acton Bowling Lanes; PAUL HASKELL, 1323, Volage Bowl, Lakeshore; GAR SMALL, 1266, Fernu 23, Sportsman Bowl, Guelph

waste, the natural resources of our country, its soil and its minerals, its water, forests and wildlife. As part of their many activities the sportsmen through the Federation are trying desperately to create better farmer-hunter relations. This is being made harder by the fact that the farmer is not calling on the sportsmen when he wants help such as this, but on these hunters mentioned earlier. Then when the sportsmen offer their help, they receive abuse instead of thank you.

The farmer in retaliation posts his land with "No Hunting" signs, but in most cases all this does is keep the sportsmen out; the other hunters either can't read or pay no mind to such signs.

With so many clubs throughout Ontario the farmer need only to contact the federation or the club nearest him to receive the help that he needs and the kind of help that he wants. In doing this he'll find the cure does not have to be worse than the ailment.
