

The Lions Den

BY SAM MELTZER

The Lions are known and esteemed throughout the world because of the number and importance of their activities. Each year sees their constructive activities reach a new high in number and scope. Lions Clubs have a complete community activities program. They are interested in every opportunity for unselfish service to the community and to this end their activities are grouped under 10 headings.

Agriculture — Boys and girls — Citizenship and Patriotism — Civic Improvement — Community Betterment — Education — Health and Welfare — Safety — Sight Conservation and work for the Blind — United Nations.

Service work can be compared to a stream in springtime — it is always surging and breaking out of its traditional channels.

Lets stop for a minute and consider this poignant story that came to light in Baden, St. Louis. "Baby Mike" is a 7 year old boy suffering from a bone disease, and has never developed beyond the size of a two year old boy — and consequently his fellow students at the school for handicapped children that he attends nicknamed him "Baby Mike".

The kids are now calling him "Big Mike" as a result of a special wheelchair purchased by the local Lions Club. It's a special, constructed wheelchair that boosts his ego as well as his stature. Now Mike is able to sit at the table with his brothers and sisters and look out of the window.

The mother wrote the club: "Mike is still small, but if you could see how proud he sits in his big chair you would think for sure he had grown before your eyes."

The second story from London, Ont., is different again in its variation and aspect. The London West Lions Club in conjunction with the Ontario Dept. of Transport, operated, as a public service, a Motor Vehicle Safety Check Lane.

The equipment used for this check was operated and manned entirely by members of the London West Lions Club under the supervision of Inspector Nick Chrapko of the Ont. Dept. of Transport. With the cooperation of all the local news media this project received considerable publicity — and was favourably received by the public.

The Dept. of Transport were so pleased with the showing that it has requested the Lions to arrange another safety check lane on a large scale this spring.

Since you have been reading my column religiously every week you should (I hope) now have grown accustomed to my pace and know I wouldn't leave you without some thought for the week:

"All the average man asks of life is a little peach and quiet."

Enrolment Objective Reached by P.S.I.

As indicated by the giant thermometer in front of the Burlington Information Centre for P.S.I. the objective has already been obtained. P.S.I. officials advised this paper that the enrolment of Halton County will be one of the most successful ever attempted. The closing date of the enrolment will be March 31st and residents wishing to enrol should do so prior to that date.

Offices have been established in Burlington, Oakville and Georgetown.

NORVAL

Kind Church Ladies Assist Fire Victims

Mrs. John Thurlbeck was guest of honour at the special hour following the Norval United Church Women's meeting held in the church on Thursday evening, February 26. She was presented with several articles for her home to replace those destroyed on Halloween night when their home was badly damaged and gutted by fire.

Mr. and Mrs. Thurlbeck and family are now living in their rebuilt house beside their service station. Among the articles presented were a coffee table, a matching set table, table lamp and electric kitchen clock. Mrs. Thurlbeck expressed her thanks for the thoughtful kindness shown to the family. Unit Two was in charge of the social hour.

Mrs. H. McLaughlin, president, was in the chair for the meeting. Mrs. Norman Laidlaw, assisted by Mrs. Gordon Laidlaw, gave the devotional and Mrs. Clark Lyons and Mrs. Garnet Laidlaw favoured with a lovely duet. Mrs. J. May was pianist.

Mrs. Bill Laidlaw and Mrs. Don Murray were the program conveners using as their theme "Overseas Relief". They were assisted by Mrs. William Graham, Mrs. E. McLean, Mrs. Gordon Laidlaw, Mrs. D. Wey, Mrs. M. Laird and Mrs. Roy Laidlaw.

The minutes and roll call were followed by a short business period. It was decided to cater at an Ayrshire Banquet, the date to be set later and to accept the invitation from CHIC Radio Station to be guests on their Wednesday afternoon program in the near future.

Mrs. M. Laird gave the Report and a report of the recent Presbyterian meeting held in Brampton was given by Mrs. J. May and Mrs. J. Doane.

STEWARTTOWN

Family Party for Two Wedding Anniversaries

Mr. and Mrs. Howard Briggs celebrated their 16th wedding anniversary last Saturday evening at the home of Mrs. Briggs' sister and brother-in-law, Mr. and Mrs. Percy White, of Silvercreek, who were celebrating their 23rd anniversary. Among the guests present were Mr. and Mrs. Murray Morrison, Woodbridge, Mr. and Mrs. Earl Steele, Woodhill, Mr. and Mrs. Wally Powell, Victoria and Mr. and Mrs. Wm. Radley of Wally Powell, Victoria, Mr. and Mrs. Wm. Radley of Brampton and Mr. and Mrs. Warren Morrison of Maxwell.

Mrs. Wm. Humphreys and son Ted visited on Sunday with their aunt, Miss Annie Brown, at Agincourt and also with Mr. and Mrs. George McDermott and son Brian in Toronto.

Congratulations to Mr. and Mrs. Ernie Keller on the birth of their son at Georgetown & District Memorial Hospital on Monday, March 4th, a brother for Arlene and Cheryl.

Mrs. Vern Pickett has returned home from hospital and her many friends in the community wish her a speedy recovery.
