## Georgetown Phone Users Increase by 200 in 1962

Another year of expansion in telephone facilities in Georgetown reflected a similar situation throughout the territory of The Bell Telephone Company of Canada during 1962, it was revealed in the company's 83rd annual report issued this week.

Expansion of facilities and improvement of basic service required expenditures of \$219,400,000 in its operating territory of Quebec, Ontario and Labrador. It is the largest amount ever spent on construction any year in the company's history.

Telephones in service at the end of 1962 totalled 3,890,630, an increase of 195,523 during the year.

This wide-spread expansion was also present in Georgetown with the addition of over 200 telephones. L. G. Denby, Bell manager for this region said totaling 4,950 in service here as of Dec 31.

Net income in 1962 totalled \$65,285,000, equivalent to \$2.66 per share or a return of 8.3 per cent on invested capital.

Dividends to the company's 192,854 shareholders amounted to \$53,968,000, leaving \$11,317,000 as retained earnings. All of the 1962, 97.3 per cent of the shareholders, owning 93 per cent of the total stock, resided in Canada.

As of December 31, Bell employed 35,066 men and women on the company's payroll for the year was \$170,470,706.

More than 90 per cent of the products used by the company are now being manufactured in Canada using Canadian-made materials.

The company made good progress on its section of the SAGE air defence network and providing for the Bell's early warning system.

There were important developments during the year. Recently they began a system during the year. New operating a Friday night dance links were completed between in Guelph at the Beckett Municipal Centre as well as between Fort and Duluth, and the Minnesota route between Montreal and the Quebec City, via Sherbrooke, with Little Caesars and Progress was also made on the Constat backing them.

## Vegetables is Project For County 4-H Girls

4-H Homemaking Clubs in Halton County will be reorganizing within the coming weeks for their spring project "Dressing Up Vegetables."

Leaders representing eleven clubs in the county attended a two day Leaders' Training School in Milton on Feb. 13th and 14th. They were: Ashgrove Club, Mrs. Milton Bird, Miss Evelyn Bird; Ballinfad and Bannockburn Club — Mrs. A. Keir, Mrs. W. Waddie; Dublin Club — Miss Jean Britton, Mrs. N. Douglas; Hornby North Club — Mrs. J. Hill, Mrs. R. Wilson; Hornby South Club — Mrs. Cecil Patterson, Mrs. M. Kiernan; Limehouse Club — Mrs. E. Kari, Miss Joy Patterson; Nassagaweya Club — Mrs. M. Moffat, Mrs. J. R. Henry; Nelson Club — Mrs. J. M. Breckon, Miss Judith Breckon; Palermo Club — Mrs. W. Fox, Mrs. C. Joubert; Scotch Block — Mrs. E. French, Miss Glenna Stark; Silver-Wood Club — Mrs. G. Henderson, Mrs. H. Marchington.

The Training School was organized by the Home Economics Service of the Ontario Dept. of Agriculture and conducted by Mrs. Kathleen Cosson, Home Economist.

The Project "Dressing Up Vegetables" will deal with the nutritional value of vegetables, the importance of proper selection and cooking methods, and the many ways in which vegetables can be used in our meals. Mr. Harold Foster, a Produce Inspector at the Ontario Food Terminal, spoke to the leaders about the grading and regulations concerning marketing of vegetables. The leaders planned and prepared several of the dishes which they will demonstrate to their clubs — cream soups, salads, garnishes, escalloped vegetables, baked stuffed vegetables and others.

The leaders will be in charge of the organization of 4-H Homemaking Clubs in their own communities and will conduct a series of 7 or 8 meetings with their members.

All rural girls who will be 12 by March 1st, 1963, are invited to join the club in their area.

The presentation of prizes took place at the recent convention of the Ontario Farm Safety Council, held in Guelph.

Mr. Mac Sprawl, chairman of the Halton Farm Safety Council, accepted on behalf of the Halton Farm Safety Council.

Halton's entry was selected from a county competition sponsored during 1962. The county winner was Mrs. A. R. Cudler, Campbellville, R.R. 3, and her slides were submitted as the Halton entry. The purpose of the competition was to collect information in picture form, that could be used by Farm Safety Councils in Ontario to help lower the high accident rate on farms.

## Three Mill Hike For Separate School Rate

The Separate School mill rate will increase by 3 mills this year, it was disclosed by the school board chairman, R. Thompson at a meeting of Separate School supporters, on Wednesday night. This will bring the mill rate to 21.832, or almost the same as it was in 1961.

On an average assessment of \$4,000, this would increase the taxes for school purposes by \$12 a year, said the chairman. By this increase the Board hopes to defray the \$18,000 deficit incurred during 1962. In an effort to keep costs down, no more building program is being planned in the immediate future. In addition a 25-cent monthly charge per pupil for school supplies will be imposed, plus a dollar a year per pupil compulsory charge for insurance.

The chairman expressed the hope that the recently announced new system of provincial grants will lighten the burden on Separate School supporters in 1963.

Attendance at Holy Cross School has risen from 205 in 1958 to 485 in 1962.

At the conclusion of the financial report, the meeting was thrown open for questions. In reply to a question on the possibility of reducing transportation costs by employing only one bus, Board member W. Boyle replied "Now we use 1 1/2 buses, we split one with the High School, rather than the two we used last year. This cuts the cost from \$12,000 to \$9,000. Time does not allow just one bus," he concluded.

A suggestion that Sisters be used in teaching was answered by Father Oler who said they are not available in addition housing would have to be provided which would be costly.

To stop the practice of having two grades in one room one woman suggested kindergarten be discontinued. In reply, Secretary Ed Malson stated that this would be considered if the necessity arose.

Don Hunt expressed the appreciation of the ratepayers for all the hard work the Board puts in.

A farmer who lives along the highway, locked one of his gas barrels, and filled the other with water. His efforts to discourage thieves didn't work — he forced to help his son about it and the last time their farm tractor with water

## Set Budget For Fire Prevention

A 1963 budget of \$1,250 was approved by members of the Halton County Fire Prevention Bureau at their February meeting in Milton.

The budget includes \$900 for the Bureau's fire safety education program — including literature for distribution, films and colored slides, newspaper and radio advertising and publicity, and trophies for the annual grade five poster competition in the schools.

Another \$200 is marked for the special Christmas fire safety program and the commercial and industrial inspections during Fire Prevention Week in Milton and Burlington. The remainder will be used for office supplies and stationery.

The Bureau has approved the purchase of 4,000 fire telephone cards and "fire door" signs to be placed in industries and stores. These will be distributed soon by members of the local fire department.
