

Council Insists New School Must Be in Released Area

Public School Board's hopes an area now developed. The of land deeded to the municipality by a subdivider under the their original chosen site in of the public school board in provision of the Planning Act unreleased area between Moun. Harrison school last Wednesday night. The board has been doused by a letter from the council which, in four points, directive were: (1) It is the obligation in effect that the next school must be constructed in secure school sites. (2) The 3%

A TINY TV TALENT

OAC Grads Attend Reunion of Class

Douglas Fishburn spent the week-end of March 3 at the reunion of his '62 Associate Class of Guelph OAC held at Hockley Valley where the week-end was spent in wintersports and dancing and renewing school acquaintances. There was a good attendance of the class members and friends. Bill Patterson, also a member of the '62 Associate Class, attended on Saturday.

Pingrove Farm Forum discussed "The Rural Church" at their meeting on Monday evening, March 11, at the home of Mr. and Mrs. Albert Hunter. Following the discussion and a short business period a social time of coffee and lunch was enjoyed. Mrs. T. McGee and Mrs. H. Snellett assisted the hostess in serving lunch.

Mrs. John Mulder, Elizabeth and Laurie, spent several days last week visiting with Mrs. Mulder's mother in Guelph.

Mr. F. G. Woollett and son Martin flew to England by TCA to visit his mother and other relatives in Hastings, Essex. They left Malton Airport on Sunday, March 3 and will visit in England for about two and a half weeks.

Quite a number of local folk have had a bout with the "flu bug". This flu takes a lot of discouraging and leaves its victims rather shaky for several days. Mumps are taking their toll among the school children with measles also being reported. However, on the cheerful side, spring is really just around the corner and maple syrup time is here again.

The Lions Den

BY SAM MELTZER

Few among the hundreds of thousands of Lions from all parts of the world spend their relaxation time in the customary manner. They are, in the many deeply concerned with specific facets of community life, enthusiastic and excited by some manifestations, disappointed by others, rarely unmoved by the challenges.

Some while ago I sat down to dinner, with such a member. He was a long time Lion, with a wealth of experience, and I knew that from him I would find out that which makes Lionism motivate. His awareness of service work and community affairs was profound and impressive. He knew all about the leading personalities and character. He summed our local club up with some after dinner judgment. "I don't think I've visited such an enthusiastic club — and I have been to a few."

I have since reverted in my mind to that conversation. What were his guide lines? Lionism in other communities is general, but it was obvious for an on the other Lions of the world. There are no weekly meetings place where people meet on a non functional social basis. Lionism in Georgetown is a body of activity. The members assemble and their rallying call

The board has received their first annual rental cheque from the Dept. of National Defense for school property used for attack warning sirens. The cheque for \$20 was for siren towers on the grounds at the George Kennedy and Wrigglesworth schools.

An application from a resident outside the area to have her child attend a Georgetown school was accepted by the board Mrs. Thomas Beer, R. R. 3, Georgetown, will be advised by letter that her son, Paul Beer, may attend school here if room is available. He will enroll in Kindergarten-Primary.

A Travellers' Insurance inspector rated the housekeeping in the school as excellent after making a routine inspection of the heating equipment recently.

The Hallon Inspectorate No. 1 speaking final will be held Friday, March 22nd and Steve Artson, School principal, R. R. 3, who is in charge of the final, will be to the Georgetown board to reserve the Wrigglesworth auditorium. His letter also requested a contribution from the board to help cover the cost of silver dollar prizes and a plaque which will become an annual award.
