

### Trying For Same Place Advises 'Get Together'

183 Cambridge St., present a serious threat to the continued existence of the Roman Catholic Church in the province and that the Separate School system provides a better alternative for the children, then there is no reason why the Province should not take steps to increase the number of Separate Schools. But if the Province is not prepared to do this, then there are serious moral implications for the Separate School system, including the integration of the Separate and Public Schools. Let's not let history and tradition stand in the way of constructive and beneficial progress. Let's act instead of being content to launch our verbal volleys back and forth across the lines accomplishing nothing except a deterioration of our relations. We're all trying to get to the same place, we're just going by different roads. Let's work for a multi-lane superhighway instead of wasting time, effort and resources building many parallel paths.

French were included in the Constitutional Guarantee of Separate Schools. At our relations. We're all trying to get to the same place, we're just going by different roads. Let's work for a multi-lane superhighway instead of wasting time, effort and resources building many parallel paths.

#### Discussion Recording Sent to Rhodesia Missionaries

The CGIT met for their regular meeting in the church on Tuesday night of last week instead of Monday. They continued their missionary study on "The Rim of Asia" using the chapter dealing with Hong Kong. A story was also read entitled "The Boat Lady of Hong Kong" which was about a nurse who worked among the people who live in boats in the harbour there. After some singing the girls were invited downstairs to join with the Scouts for their closing ceremony and the singing of taps.

Mr. and Mrs. Mike Norton arrived home on Monday afternoon after having quite an eventful trip by boat. They encountered very rough weather crossing the Atlantic and so did not have a very pleasant journey.

Mr. and Mrs. J. R. Smellie visited last week with their daughter, Mrs. J. Black and family.

Mr. and Mrs. P. Colwill and family from Simcoe spent the week end with Mr. and Mrs. Leo Jamieson and family.

The Young People met for their meeting on Sunday night and there was also a special service Sunday evening when the congregation came from the three churches on the Ballinafad to hear the latest film and hearing a tape recording made by Rev. and Mrs. J. A. Kirkwood who are missionaries in Northern Rhodesia. This was most interesting and following the film, Jimmy asked several questions and after these were discussed in small groups a summary of the answers was recorded on the tape by Mrs. F. J. Shortill to be sent back to the Kirkwoods.

**Local P-C Group Plans for Campaign**  
Local Tories have been in the progress of organizing for the April 8th election. At two meetings held this week, one at the home of Edward Arnold, Charles Street, and the other at the home of B. Lantz, Raylaw Crescent, plans for the coming campaign were brought up.

Henry spoke at both meetings and will be in town again next week to do more canvassing, as well as meeting with PC workers.

A Main Street headquarters is being opened in the near future and workers were told that anyone wishing information or volunteering help, is urged to phone 877-9061 from 9 a.m.

Mr. Best spoke glowingly of the response he was receiving, and predicted if all PC's work hard, that we'll all share in victory.

#### Two Norval Students In Speaking Finals

In the past few weeks excitement has been running high in the public schools as students vied with each other in the public speaking contests.

On Wednesday evening, March 13th, the township finals will be heard in Stewarttown Hall. Winning the honour to represent Norval Public School was Barbara Youmans who will speak on "My Dreams of the Future." Bryan Reynolds will represent Stewarttown Public School with his speech on "The History of the Water Wheel." Bryan attends Stewarttown School with the other Grade 8 students from Norval. This should be an interesting and entertaining evening with several speakers from several schools doing their best.

The first meeting of the Inter Group Council of Guides, Brownies, Scouts and Cubs was held on Thursday evening, March 7 at the home of Mr. and Mrs. Norman Guthrie. As all groups were not represented final plans for more group activities could not be made but several good ideas were presented for consideration. It was decided that half the collection from the Church Parade will be donated to the Star Fresh Air Fund.

Congratulations to Rev and Mrs. Lloyd Freel on the birth of a baby son. A little brother for Michael and Carolyn.

We are glad to welcome Mrs. Kathleen Taylor back to the village after she spent a couple of months in Toronto General Hospital taking tests and physical therapy. She has been staying at the Norval Nursing Home for several months.

Sympathy of the community is extended to the Donaldson family on the death of Mrs. Ida Donaldson following a lengthy illness. She was the mother of Percy Donaldson and of Mrs. Wesley Louth. The funeral was held in Southampton on Monday, March 11th.

#### Ottawa Trip For Safety Patrollers

#### Everyone Cooperates in Fournier Benefit Dance

On Wednesday evening, March 20th, a benefit dance for the Fournier family of Georgetown will be held in the Riviera with everyone donating their services free. All proceeds will be turned over to the Fournier Trust Fund at the Canadian Bank of Commerce, Delrex Market Centre.

Mr. Emil Zuber has donated the lovely Riviera dance hall, and the waitresses and hat check girls gladly offered to donate their services for the evening. Ralph Ursel and Bryan attends Stewarttown School with the other Grade 8 students from Norval. This should be an interesting and entertaining evening with several speakers from several schools doing their best.

Bob Burke will emcee the show and janitor service Thoro-Clean, owned by Jack Cox, offered to clean up the place after the dance, so that makes a complete entertaining evening donated by a good number of busy workers and entertainers who are willing to give one evening towards a worthy cause. The plight of an expectant mother with ten children suddenly left a widow should touch the heart of all of us.

Tickets for the evening are \$5.00 a couple. Here is an opportunity to do a good deed and to prove yourself a good neighbour while you are having a good time. Mark your calendar now.

#### Western Cabinet Minister Visited Town This Week

Wednesday evening about 7 p.m. Georgetown was visited by a western cabinet minister Hon. Walter Dunsdale, Minister for Northern Affairs. Mr. Dunsdale had been speaking in Cookstown, and was enroute to Oakville to speak to a group of PC workers.

Mr. Dunsdale represents the city of Brandon, and has been campaigning almost exclusively in the East and Ontario, as his riding is considered the safest seat in the country. Mr. Dunsdale's one appearance in his home town was a non-political one last week, where he opened the Curling Championships to a packed arena.

He left immediately for Oakville, to meet Sandy Best, PC candidate in Halton, who had been addressing a dinner meeting in Burlington. Both men spoke later in the evening at Oakville.

#### FIND STOLEN CAR THREE HOURS LATER

Trevor Williams, 18 Parkview, reported his car stolen Monday night, but he had it back three hours later.

The car, a 1950 Chev., was taken from its parking spot in the downtown parking lot while he was howling at the Lucky Strike Alley. He discovered it was missing at 9:15. A search by police and Mr. and Mrs. Carson Rae, who were on duty at the time, found the car on Back Street a few yards away from the lot.

#### View Gilbert-Sullivan Show at Upper Canada

UCC has the reputation for the quality of Gilbert and Sullivan performances and the all-male cast of "Ruddigore," made up of boys attending the college, certainly maintained this high standard set for them by those who performed previously.

Mr. and Mrs. Gerry Phipps and baby daughter Robin Elizabeth were recent visitors with Mrs. H. P. Lawson.

Happy birthday to Jamie Clare who will be two years old on Friday, March 15th.

Miss Marilyn Pattison of Sudbury was a recent visitor with Mr. and Mrs. Herb Reid and M. Glenn Moggy.

Six years old on March 5th Phyllis Briggs celebrated with birthday party. Her guests included Sandra and Debbie Cash, Lynda and Paul Lawson, Margy Walinga, Gay Fokens, her cousin Larry White and sister Alice.

Lynda and Paul Lawson were guests at their cousin's birthday party on Thursday, March 7th. Jamie Lawson was four years old; other guests attending his party were Beverly and Donald Staddon, his Nan, and Auntie Margaret.

The Lenten Service Tuesday evening in St. John's Church was the first of a series, when the rector, the Rev. J. E. Maxwell, showed slides of the Life of Christ and His Teaching. There is to be a service each Tuesday evening during Lent.

A number from this district attended the opening of the new Community Hall in Ballinafad on Friday evening, March 8th, among them Mrs. Herb Reid, who took part in the program.

We are aware of the many hours of work and planning of such a project and the residents of the Ballinafad Community are to be congratulated on their success with their fine new hall.
