Harv Chappel Curling Rink Wins Rice & McHarg Trophy

There are just three more Fenspiels scheduled for the curling season. The one this Saturday is a men's match with outside curlers taking part. On the next Saturday, April 6th, is a club special: a mixed affair, and the entertainment committee are calling it a "Satchel" affair. It promises to be quite an affair. The final bonspiel listed is a club mixed event. The Rice and McHarg trophy drew a full house last Saturday and the winner of the trophy was not decided until an extra four ends were played. The H. Chappel rink were the eventual winners.

FINE WEATHER NEEDED FOR GOLF CLUB GREENS

Both Georgetown Golf and Country Club and North Halton Golf and Country Club are optimistic about how their greens weathered the off-season.

At Georgetown Golf, manager Harry Adamson said the hard to fill the links for the course in general wintered scheduled draws. So if you are very well but was still soggy not able to play, please let me know in plenty of time so that he can get a substitute in your place.

SPORTSMEN OUTDOORS

BY FRED DARBY

George Hoare, Ian Prossgrave, Bob Mills, Tom Copeland and myself were in attendance at the Ontario Federation of Anglers and Hunters booth at the Sportsmen's Show on the opening Saturday of the show.

The booth afforded members of the Federation, the opportunity to discuss with the public and the sportsmen the workings of the Federation. It was also an opportunity to discuss some mutual problems - conservation, hunting, fishing etc. The members when concluding what sometimes were lengthy discussions or mild arguments with the public and sportsmen, asked for their support. I am glad to say this was given in most cases wholeheartedly.

The sportsmen were asked if they were members of clubs and if so, had they ever looked into the Federation. They were told how the war against the destroying of our outdoors, could only be won with strength of numbers. How one hunter, fisherman, picnicker, etc., could in one trip, destroy enough conservation that the strength of thousands of Sportsmen and conservationists were needed to repair and keep repairing our great outdoors.

The public were told that when asked to donate money though they may never hunt, or buy something where all fish or use the outdoors, the money received, will go to conservation of it was their some needy cause as conservation business too. Their support was requested, and in most cases they were asked to tell me who's pocket does the money really go in. In those against diseases, other countries people extend my deepest sympathy in stopping the destroying of our outdoors and natural heritage.

Always needed and can be given by most when personal help can not, and that is money. Over 500 people did on this Saturday help in possibly the only way they could at the time. When asked to buy a windshield decal of the shield and pledge of the Sportsmen and Federation members of Ontario, they did gladly and to them, I say Thank You on behalf of the Sportsmen and Federation members.

There was however, the other few. From reports received from those who can't help, I know that someone can do the something for his fellow man all for nothing. Those people who will gladly bite for the fisherman as well take anything that is free, but as the fisherman.

NOW ONTARIO CROWN TWO HURDLES AWAY

DONNIE NORTON SCORES the first of two goals in this action during the Midget playoffs series between Georgetown and St. Thomas. Georgetown swept the total goal series 11-2 to enter the Ontario semi-finals against Leamington their old rivals. In the opener of that set last Saturday in the Sunshine town, Georgetown skated to a 5-2 victory. A near capacity crowd is expected here this Saturday when the second and last game of the total goal series will be played. Hockey Scouts from many of the NHL teams have this one down as a must game.

Midgets Gain Three Goal Lead Against Leamington

Georgetown Midgets will carry a three goal edge into the second game of their two game total goal series with Leamington here Saturday night. The series winner progresses to the Ontario final.

The three goal edge was the result of a 5-2 Georgetown triumph in the opener played in Leamington last Saturday.

Both teams started off with a last part of hockey with both teams trying to get the pump on the other one. On the play it looked like the locals should have come out on top but the Leamington goal tending robbed Georgetown supporters of sure goals.
