

**Resident Comments
On Coming Election**

7 Young Street
Dear Mr. Editor:
I wonder if you notice the way Prime Minister Diefenbaker spends most of his time visiting other cities and countries when the threat of war crops up. When he returns to Ottawa he is just like new wine put in an old bottle. I only hope that the cap doesn't blow off until he is out of Parliament.
In the game of Cat and Mouse, things are getting serious. There isn't a mouse that has never been caught so we don't want a war to start and have all the fire arms on one side.
Prime Minister Diefenbaker says he plans to be a defensive government but we are a wide open target. Right now and always would be under such government. If they had any possibility of nuclear weapons why didn't they keep them going.
Prime Minister Diefenbaker was shamed into this nuclear weapon discussion by Liberal Leader Pearson and President Kennedy. He said the government would not accept interference. If you people fool around in this election like the others, you might find yourselves being ruled by the U.S. government the way our government has been borrowing money from them for our bankrupt and much-abused unemployment insurance fund.
The farmers in Western Canada think the Conservative government is a wonderful government because they are selling their wheat. When the Salvation Army offered help for some starving Indians in Western Canada, the Prime Minister complained.
In Toronto this winter the Conservatives held a drinking party which cost them \$800 per person while some unfortunate do not have \$200 a week to eat. Their guilty conscience must have bothered them when that figure came out in the news because they said this was an error while another source said they threw money around like drunken sailors. I think we had better start looking over the hill to see how other people are living instead of letting a few have it all and others none.
Once again, let me remind you, that it is your responsibility and mine to elect a sound prosperous government.
Yours truly,
William McMurdo.

**Many April Brides
Of Former Years**

There are some wedding anniversaries this month. Mr. and Mrs. Cecil Wilson and Mr. and Mrs. John Bellbody on April 2nd. Mr. and Mrs. Leslie Giffen on April 8th. Mr. and Mrs. Ward Brownie on April 10th and Mr. and Mrs. Russell Hepburn on April 15th. Congratulations to you all only hope that the cap doesn't blow off until he is out of Parliament.
Mr. and Mrs. Charles Austin were in Peterboro on Sunday visiting their new granddaughter, Sandra Jean and her parents, Ross and Marion Austin.
Congratulations to Mr. and Mrs. James McPhail on the birth of their second son on Tuesday, March 26th, also to Mr. and Mrs. Bob Devins of Brampton on the birth of their first grandchild, "son", the second grandchild for Mr. and Mrs. Lloyd Davison.
We are sorry to report that Mrs. John M. Bird has been a patient in Georgetown Hospital. All her friends wish her a speedy recovery.
Lovely shy April has come again, with her gentle rains and the sun getting warmer. The buds and new green leaves will soon start. When women get to cleaning house, and ripping carpets up, when skies beyond the sugar bush are blue as grandma's cup, and from some deep mysterious place the skipping ropes appear, you don't need calendar or dates to tell the time of year.
Be sure and go out and vote next Monday. It may not go the way you wanted it, but at least you will have done your part.

**Tools are Stolen in
Two Local Robberies**

"Several hundreds of dollars" in tools were taken in two robberies this week. Police said that C & V Motors, the Volkswagen dealership at the corner of Mountsinview Rd. and Guelph Street had \$200 worth of tools taken Saturday as well as a number of car radios. Investigating officers have been unable to find any evidence of a break-and-entry and have not ruled out the possibility of a daring daylight theft.
Tools described as "worth hundreds of dollars" disappeared from the Avian Aircraft plant on Armstrong Ave. sometime Tuesday night or early Wednesday morning. Entry was gained by breaking a pane of glass and unlocking a rear window. Cutting torches were among the missing equipment.

**Leaving for England
AOTS Presents Gift**

Dr. Henry of Toronto, editor of the Temperance Advocate was the guest speaker at all 3 churches on the Ballinafad circuit Sunday. He spoke of the work of the Temperance Federation.
The Young People met for their meeting in the Church on Sunday evening and they enjoyed a film through the courtesy of the Bell Telephone Company.

The CGIT met on Monday night with ten girls present. Reports were given of the bake sale and also a letter read from Mrs. Ady in Calgary where the girls had sent used Christmas Cards. A contest was held and several of the girls made a plastic apron. Mrs. Blacklock read a story about the Cedarvale School in Georgetown and the meeting closed with taps.

The AOTS sponsored a social evening for all church groups on Thursday of last week. Messrs. Sandy Kier and Ernie McEnery conducted the opening devotion which was followed by a sing song led by Mr. F. J. Shortill. An outline of the purpose and work of the men's group was given by the president Mr. Mike Norton who also showed coloured slides of their recent trip to England, as well as some of local interest. Refreshments served by the social committee. At the close of the program, Mr. Sandy Kier on behalf of the Men's Club, and the Cub & Scout Group Committee, presented Mr. Norton with a brief case.
Mr. and Mrs. Norton and family are leaving this week to return to England where he has a position with the Case Company. We wish them success but they will be missed in the community and the church.

**Local Man's Derby
Horse Doesn't Win**

No Georgetown resident is in the "big money" as a result of Saturday's Grand National at Aintree in England. Joe Hall Sr. Water Street, had a sweepstakes ticket on "Magic Tricks" but the horse failed to place among the top finishers.
Mr. Hall, whose ticket number was "Donna" listened to the radio account of the race Saturday morning. He got an undetermined amount for holding one of the tickets drawn. Probably in the neighbourhood of \$1,200.
