Doc' Reed At New Reed - Redfern Car Dealership

"Our service is second to none, and we have made so many friends in this area that we decided to move here. It's a growing area," said H. G. (Doc) Reed, president of one of the most successful Mercury dealerships in southern Ontario. Reed-Redfern, which opened here this week.
They're in the former Andy Murray Cities Service Station at the corner of Guelph St. and Resway Drive.

Doc-Red who now lives in Streetsville but was a Georgetown resident a few years ago, will personally manage the Georgetown dealership. Partner Earl Redfern kept Shop at U.S. Hwy. 25 just south of Milton.
Mr. Reed has four and a half years' experience in the car business.
In opening here Reed-Redfern brings to town a new policy on late model used cars which should be attractive to anyone thinking of trading for something just less than new. They're offering a one year used car warranty on all cars five years old or less. Of course a new car warranty for twenty four months or 24,000 miles applies on the full Mercury line. Mercury 400, Monterey and Meteor.

Married, Mr. Reed has a family of four, two boys and two girls, who attended school here when the Reeds were Georgetown residents a few years ago.

PIPE PRIME MINISTER

The Georgetown Girls Pipe Band had the honour of playing for the Prime Minister during his stopover in Peel County last week.
The girls entertained the crowd in Lorne Park Collegiate prior to Mr. Diefenbaker's arrival and when he arrived.

A social half hour was spent following the meeting's conclusion.
