IT BLEW THE RUDDY SIGN DOWN!!

HIGH WINDS, WITH GUSTS up to 60 miles per hour, kept the works department, and telephone workers hopping Thursday removing fallen trees and poles and repairing various other damage. It also caused many householders to look anxiously to their own trees to see if they were liable to topple and cause them damage. One of the first victims of the gale-force winds was the E. L. Ruddy sign on the Kennedy Klub 7 parking lot. The huge signboard toppled over onto the town grader which poked a hole through it.

Planned River Dams Will Boost Town Water Wells

Higher water levels in the White Georgetown's 9th Lane town's deep well system will mean it will be one of the last to be shut down in a series of dams on the Credit upland if a new dam is built on the planning stage road to be developed along the road by the conservation authority.

Merchant's Son Wins U of T Writing Prize

A \$200 prize for creative writing has been won by Arthur Silver, whose father, Sid Silver, is proprietor of Silver's Cloth Store on Main St.

Arthur is in his graduating year in the honour history course at the University of Toronto. Last week Georgetown council endorsed in principle six Deputy Reeve Hunter suggests Toronto dams which will be constructed over a period of years.

LEGION NOTES by Don N. Platt

We have just received a letter from our Egyptian correspondent, Jim Gordon, who is holidaying in that land under the auspices of the United Nations Emergency Force, advises us first of all that he prefers Canadian beer. Egyptian beer being made of fermented sand. Jim reports an interesting trip with a scheduled stop in Pisa, Italy and an unscheduled one in Athens, Greece, when the airplane became ill. Samples of these and other exotic metropolises visited, produced him a desire to be back in Old Georgetown. Another ten months, however, will have to pass before he turns his key in our lock.

Egypt's 90-100 degree temperatures compare favourably with our 30-50 degrees but living on the world's largest beach can have its drawbacks. For instance, a several hundred mile walk may be required to get to the water. Letters to Jim would be greatly appreciated and he guarantees a prompt answer. His address is SB 10260, Pte J.A. Gordon, 55 Cdn. Tpt. Co. R.C.A.S.C., C.N.E.F., Middle East, CAPO 5048.

ROVER CREW

Sunday was a proud day for the Branch 120 Imperial Scout and for the new Georgetown Rover Crew when District Commissioner of Scouting, Vic Gunn, presented a charter to Imperial President Roy Rudiger. By this charter The Boy Scouts of Canada officially recognize the Imperials as sponsors of the 7th Georgetown Rover. The charter was returned over to Neil Ellison, the Chairman of the 7th Georgetown Group Committee.

In addition to the charter presentation, Rover Skipper Joe McConkey and Mrs. McConkey were both presented with warrants entitling them to act as scout leaders. The Branch 120 Rover Club was on hand and favourably impressed the guests with their singing. Those boys are getting better all the time.

INTER-COUNTY DARTS

The Georgetown dart team that won the Inter-County Dart Championship several weeks ago, went to Milton on Saturday to receive their trophies.

A round robin tournament was held and the boys proved that winning the championship was no fluke. They brought home all the silverware from that tournament too. A total of 32 trophies were carried to the Branch on Saturday night. The very big championship trophy was complemented by 30 individual trophies, two per man and the big single trophy won by team captain Frank Richardson.

The team was composed of Frank Richardson, Ron Cash, Harry Bottoms, Roy Rudiger, Dave Capperault, Ken DeRose, Archie Pollock, Floyd Ziegler, Art Hall, Bob Nicholson, Bill McCartney, John Haynes, Bruce McCartney, Jack Ballantine and Gord Inglis.

The boys proved again that when good facts are thrown they are thrown by a Georgetown team.

WING DING

Friday, April 26 is the date to remember. Members are encouraged to bring a friend who is eligible for Legion membership. This is a good opportunity to be a real wing dinger. Don't miss it!

LOST AND FOUND

This column has been a definite help to some of our members. If you have lost anything, please let us know. We will be glad to help you find it.

OAC Planning Program For Sheep Breeders

Sheep breeders in Halton County have an opportunity to hear of recent advances in the industry. The Ontario Agricultural College at Guelph is arranging a Sheep Day for Wednesday, April 17th. The program covers all phases of sheep production.

Local Maritimers Planning Reunion

A reunion of former Maritimers and Newfoundlanders is being planned for Georgetown. All former Maritimers of Newfoundlanders are being asked to attend an evening church service on the first Sunday in May and hear a former Maritimer give an address. The service will be held in St. George's Anglican Church, on May 5th at 7 o'clock. It's open to all denominations.

The organizers are hoping that many old acquaintances will be renewed at a social hour in the parish hall following the service. Although there is a yearly Maritime Reunion in Toronto this is the first time one has been planned for here. Further information is available from Mrs. Stuart Phillips TR 74108 or Mrs. O. Mills at TR 79278.

Plan New Sidewalk For Ewing Street

A new sidewalk on the south side of Ewing St., long sought by residents of that area, will be constructed as a winter works project in the next few weeks.

April 1st, council voted to install 1350 feet of sidewalk there as well as reconstruct sidewalks on John St. E. near Victoria St. and repairing steps leading to the highway on John St. W.

Total cost to the town will be \$3,000. The town receives a 75% government subsidy on sidewalk.

Mr. Hildebrandt said he would also like an estimate prepared for a sidewalk along the eastern highway strip where he feels there is danger for pedestrians.

There was general agreement that the Ewing sidewalk will help eliminate danger to children who must use this busy main artery en route to public school.

Manor Auxiliary Plans May Bazaar

Mrs. Alice D. Priddy, President of the Manor Auxiliary, announced that the Auxiliary will hold a May Bazaar.

LADIES AUXILIARY

Two new members were inducted at the Ladies Auxiliary meeting after which a bit of a "trash" was held. Various games were played at the party and the new members showed their worth by going home with all the loot.

The next auxiliary meeting on Thursday, April 11th will start one hour early at 7:00 pm after which a bus will take the group for a visit with the Streetsville Auxiliary.

A little bird tells us that one of the ladies has been talking on the phone for several minutes to a badge unaware that the party had left town. The bird says that as one conversation we are really sorry we missed it. If that bird tells us the name of the lady we will be glad to help.
