

GEORGETOWN HOCKEY FANS ARE EXCITED — FINALLY

THE GEORGETOWN MIDGETS have fanned the spark and town hockey followers are suddenly very much interested in the Ontario Midgets' finals currently being waged between Georgetown and Oritha. Close to 900 spectators sat in on the series opener here Friday night and watched the visitors gain a 7-2 start despite the fact they were outshot 4.4 to 28. Georgetown responded to the crowd's vocalizing and had much the better of the play. Here Jan Popiel and Al Blair are thwarted by the Orillia goalie on a close call.
