**Quebec to Perform Spring Fever Skits**  
With relations with Quebec disintegrating elsewhere, the local Rotary Club are doing their bit to create harmony. Skits from "Spring Fever" and last year's "Operation 62" will be performed by the "Y's" Mens Club of Quebec City with profits going to a summer camp for needy child. The fame of our local show spread to Quebec City through Mr. and Mrs. R. Murray who used to live on Norton Cres. Regular Herald subscribers, they read about the show and wondered if the skits would be made available to them. Since the Rotary and "Y's Men" have a common interest in needy children, the local club sent the scripts along. The show, "Y's A Popping," will be presented May 2nd, 3rd and 4th in Quebec City. Closer to home, the chorus and soloists of Spring Fever entertained the residents of Hilton Centennial Manor on April 19th. In addition to soloists Tom Darcie, Tom Troun and Milree Armstrong, Jim Turnbull hushed the audience when he sang "Danny Boy." This year's production was a financial as well as a critical success, with approximately a thousand dollars being grossed by the club.
