### FUN FAIR HAD FUN TO SPARE

LITTLE NANCY RAWLINGS of 36 Raylawn Crescent gets lots of coaching as she goes about the serious business of snagging a prize in the Fish Pond at the George Kennedy Home and School Fun Fair. The Fun Fair was held in the school Saturday.

## LEGION NOTES

by Don. N. Platt

### FATHER & SON BANQUET

A large number of satisfied smiles reflected the success of the Father and Son banquet given by Branch 120 for Georgetown's 'A' Minor Midget Hockey Team.

These boys, by their winning of the Ontario championship, have brought considerable glory to Georgetown and the Legion was proud of having the opportunity to honour them.

A delicious meal was prepared and served by our Ladies Auxiliary, followed by a number of important presentations, concluding with some enjoyable entertainment.

Dave Bowman, president of Branch 120; and Matt McDonough, vice president of the Imperial Section; presented Wayne Davison, the team captain, with cheques totalling \$150. The boys then received the numerous trophies associated with their big win.

Entertainment consisted of the 'Sikes Brothers', the 'Steel Bandits' and an excellent color film of the 1962 Grey Cup game acquired by Bud Hill from Missions.

As several members of the press were present we will leave any further comments to their most able pens.

### WINNERS THIS YEAR

The winners this year will be the first name on the trophy. A list has been placed on the sports bulletin board for the names of those wishing to compete.

The manner in which the tournament will be conducted depends on the number of competitors. Mike Lorusso has several plans in mind and the sooner he has the names the easier his job will be.

**50-50 DRAW:** Lucky winner, Mrs. K. Hill; ticket seller, Bruce Harley.

### St. Paul's Ladies Hold Baby Shower

A surprise baby shower was held for Mrs. H. Fourrier of 55 Weber Dr. last Thursday evening by the Cradle Roll Mothers' Group and the Women's Auxiliary of St. Paul's Baptist Church. Friends and neighbours as well as Linda and Catherine Egner assisted the Mothers' Group in planning this very successful evening. One game acquired by Bud Hill from Missions.

As several members of the press were present we will leave any further comments to their most able pens.

### CHARLIE'S PIANO

Through the sloth like energies of Lloyd Miller, Dave Cooper, Dick Fullerton and yours truly, Charlie Day's piano was moved from its former position resting place to a new station of honour in his basement recreation room.

Due to the layout of the residence it was necessary to make a tour out onto the street rather than merely kicking it down the stairs. Charlie assisted immeasurably by sitting on the stairs and holding the piano while the movers worked. With yours truly doing most of the work, the instrument was finally jostled down the stairs and, minus only about half its varnish eventually arrived at its predestined resting place where we sat and ragged at it over a bucket of sud.

### SATURDAY NIGHT

Plans moving must be the theme of this week as the piano has been moved into the lounge. It would appear that as our attendance was almost doubled in Saturday night singings, now have a room to themselves and the shuffle board players have likewise. The shuffleboard has proved as big an attraction as we had hoped. Even the fair sex is taking to it and providing some pretty keen competition for the men. The little woman finds it agreeable that with very little effort, she can beat the old man.

### Record County High 4-H Club Enrolment

During the past week a record enrolment of boys and girls from Halton County farms enrolled in 4-H agricultural clubs for 1963. The 4-H enrolment in the county is now at a record high for number of club members.

The 4-H movement in Halton is under the direction of the Extension Branch, Ontario Dept. of Agriculture, at Milton, and is assisted by local volunteer club leaders. The club program includes home making clubs for girls, and agricultural clubs for both boys and girls.

The members taking part in agricultural clubs are enrolling for competition.

### SAM TENNANT TROPHY

Monday, May 27, will mark the end of the cabbage season making clubs for girls, and with the 'Sam Tennant Trophy' Agricultural clubs for both boys and girls. The members taking part in agricultural clubs are enrolling for competition.

## Local Rotarians Take Musical Show to Manor

by Muriel Thompson

An event that was eagerly anticipated from its earliest announcement took place in the auditorium on Friday evening, April 19th, when 30 members of the cast and orchestra of Spring Fever, the show recently presented in Georgetown under the sponsorship of the Georgetown Rotary Club, came to the Manor to put on parts of the show for residents. Previous shows sponsored by the Georgetown Rotary Club had been so wonderful that it was natural for this show to be so eagerly anticipated. Ralph Urzel directed the show and Ken Harrison, ARCT, conducted the singing.

From the opening number on the show, Consider Yourself to the closing of the program with the same number, every selection entranced the audience. The chorus sang a number of times, including Hallelujah, Clancy and Medley from West Side Story and Serenade in Spring. They also sang a medley of Victor Herbert favourites in which Joyce McLean sang a solo When You're Away, and a medley from Finjan's Rainbow in which Jim Turnbull sang How are Things in Glamour? Milree Armstrong sang — I Enjoy Being a Girl, Tom Trouton: Off to Philadelphia, and Jim Turnbull: Danny Boy, as separate solos. Two Calypso songs, Jamaica Farewell and Angelico, and the modern popular song, Moon River, were sung by Tom Darcie. Milree Armstrong and Tom Trouton sang a duet, Make Believe. The program ended with Tom Darcie singing the leading part, accompanied by the chorus, in a dramatic rendition of — When the Saints Come Marching In. Every number had been beautifully sung and had been a delight to the audience.

The performers were thanked by Mr. Allen who spoke of the series of shows at which the Georgetown Rotary Club music-entertainment has entertained the residents over the past few years and how much pleasure these shows had afforded the residents. Pleasant chats with the members of the cast when tea, coffee, and cookies were served brought this very enjoyable evening to a close.

The voices of 35 boys and girls in the combined choirs of Kibridge and Carlisle United Churches filled the auditorium on April 17th. They are members of the Junior choirs of these churches and had come to present a sacred concert. Their minister, Rev. W. Wilkinson, and Mrs. Gorter directed the singing.

Mrs. S. Allen introduced the visitors to the residents and Kenneth Gorter extended greetings and announced the numbers on the program.

The choir sang three groups of songs, each containing three separate selections. They ranged from the classical number I Know That My Redeemer Liveth to the lively negro spiritual, A Little Talk With Jesus. They also included the especially very song, Saviour, Hear Us, the melody of Brahms Lullaby. The choir also led the audience in the singing of two hymns.

Peggy Ann Smith, who has won two public speaking awards at Kibridge delivered a very fine speech on the privileges and advantages of being a Canadian. Piano solos were played by Lee Fisher, Lynn Fisher, Gwen Snow, Dawn Buzza and Cathy Bates. An accordion solo was played by Brian Smith and a solo on the electric guitar by Danny Smith. To bring the program to a close we will scarcely be worth the Mrs. Gorter sang Open the Gates of the Temple. Mr. Wilkinson addressed the audience briefly.

### MINOR DAMAGE IN TWO-CAR COLLISION

A two-car collision at the corner of Lamb and King Sts. resulted in close to \$200 damage to cars driven by Mrs. Olive Reid, 223 Main St. E., and Clifford Wilson, 123 Main St. N., Georgetown on Monday.

A police report said that the Reid car, a 1960 Dodge, was passing the Burt car as it slowed to make a left turn off King St onto Lamb. The 1953 Chev driven by Burt collided with the right side of the passing car. Both vehicles were eastbound.

Cst Dan Martin placed the damage at \$150 to the Reid car, and \$40 to the Burt car. The accident occurred shortly after 2 o'clock.

### Bought Proper Pump Says Water Chairman

Mr. Drenters lives at present in Rockwood where he purchased the 'Old Academy' building.

Mr. Drenters said that the strength of the stream is a new strength, strong from the strength that was the bank at the stream. A new bank, and bank where no bank had been. And the bend of the stream is a new bend and bend where no bend had been. And the sounds of Spring are new sounds, and heard in other Springs. And the sights of Spring are new sights — and seen before — seen again. And the light of Spring is a new light, and the light that has been light. And the wonder of Spring is a new wonder, and wondered at anew. And the promise of Spring is a new promise, and the promise of Spring to God, and the fruit of Spring shall be other Springs, and all the Springs to be. Always remember the words

### TOO EXPENSIVE

By 1968 a hospital room will probably cost \$50 a day. The time seems to be rapidly approaching when staying at a hotel will scarcely be worth the price.

## The Lions Den

BY SAM MELTZER

It is almost trite for me to remind you that in a service club there is only one 'raison d'être' and that is to serve the community.

In our organization we have as our motto 'We Serve' and we frequently tell our members that this is of prime importance. Then it logically must follow that we, the members, are the most important people to our clubs.

I am sure that each of us, in varying degrees, uses every opportunity to improve our community; but in this editorial which is read by non-members as well, I say community improvement is everybody's job, and every citizen should do his share.

I include in this statement all our community whether they are householders, boarders, Guides, Scouts, Cubs, Presidents of companies or sweepers-up in trying to build a life — in trying to raise our children — or chase the almighty dollar — do not give sufficient time to improving our town.

We know what is needed — we know that we must raise our standards — but what are we actually doing on a day to day, week by week, month to month basis to improve the community.

It has always been my experience that a chairman of a committee is made one because he complained too much — one thing for sure it needs stamina and real interest to head a committee.

So, to get to the point quickly, being a member of a service club is a responsibility to the community and in my opinion that of the citizen too.

How does it function? In our club, it is through the committee chairmen and the enthusiastic programs for keeping the committee heads and members on the ball.

Ten days before the \$25 Silver dinner only 18 tickets had been sold. Committee chairman Ernie Bolnar in a stirring appeal to the club sat down to appeal to all who followed the rise of this artist in the last three years in the press, on radio and on TV.

Mr. Drenters lives at present in Rockwood where he purchased the 'Old Academy' building.

### Drenters Drawings are Featured at House Sol

Drawings by Yosef Gertrudis Drenters will be exhibited in Gallery House Sol, 45 Charles St., Georgetown, from Saturday, May 11th to Friday, May 31st it was announced this week.

Born in Flanders, in 1920, he studied for six years for the priesthood but when his parents, brothers and sisters, moved to Canada in 1950 he went with them and became over the years an artist of considerable stature.

He worked as a farmer and minor and studied with Charles Stegeman and François Andre in Vancouver, B.C., till success came with a spectacular one-man-show of sculptures at the 'Here and Now' Gallery in Toronto in 1960.

Since then he has exhibited with the Royal Canadian Academy and the Ontario Society of Artists, of which he is a member. He shows at the Andrew Morris Gallery in New York, at the Rexis College, Toronto (paintings), and at Gallery House Sol, Georgetown.

He had a one-man-show in Regina in 1961 and at the Dorothy Cameron Gallery, Toronto, in 1962.

In May, 1963, he will have a one-man-show at the Gallery in Montreal. The program was commissioned to do two sculptures for the Assumption University in Windsor, Ontario, and he was featured in the 'Canadian Art' Magazine No. 4, July, August, 1962.

He is represented in the collections of Mr. Joseph Hirschorn, New York, Mr. Mrs. S. Zacks, Toronto, Mr. Mrs. P. Waxer, Toronto, Mr. Mrs. Walter Gordon, Toronto, Mr. Harold Town, Toronto, and Mrs. H. Helfant, Georgetown, and others.

This exhibition of drawings at Gallery House Sol — Georgetown covers the years 1950 to 1963 and will be of great interest to all who followed the rise of this artist in the last three years in the press, on radio and on TV.

Mr. Drenters lives at present in Rockwood where he purchased the 'Old Academy' building.

of my old school principal when he said: 'What most of you need is more horsepower — and less exhaust!'

### NAME OF EVE

Lie detectors have been in the news recently. A polygraph machine may be able to detect a few lies, but by far the most efficient lie detector was made many centuries ago — while Adam was in a "deep sleep."
