### CYCLISTS ERASE THEIR "WILD ONES" IMAGE

**THIS WAS THE SCENE** at the Delrex Market Centre Sunday afternoon where over 200 motorcyclists, members of the local Yellowjackets, and the Hamilton Motorcycle Club, formed up for their parade to church in Stewartstown. The service in St. Paul's Anglican Church was conducted by Rev. J. E. Maxwell. After that the cyclists matched their skills on the bikes at a field day opposite the church. The annual program goes a long way toward lifting the "wild ones" label the motorcyclists have had to live with since the famous Marlon Brando movie a few years back.

## 16 YEARS OF EXPERIENCE WITH CHEVROLET— PROVES CHEVROLET'S RELIABILITY

Gentlemen:

In 1947 I bought my first Chevrolet truck to use on my farm. Since then I have used only Chevrolets. My last truck had over 70,000 miles when I traded and never required any major repairs.

I haul feed, fertilizer, grain and livestock over farms and roads in the region and that's where I find the most reliable truck. I've never had any trouble with the suspension or my 1963 pickup truck. It's a reliable loadable truck. There's a lot of power for heavy loads and the hauly pickup body has ample room for all kinds of cargo.

From my past experience I know I can depend on Chevrolet to give me the kind of reliable and economical service I want from a truck.

Yours truly,

John H. Hesp

Mr. Hesp's complete satisfaction with Chevrolet Trucks is shared by a great many other Canadian farmers, from coast to coast. Truckers and businessmen also agree — Chevrolet Trucks work harder — last longer — cost less! Before you buy any new truck for your farm, see your local Chevrolet Truck dealer. He'll show you exactly how and why a Chevrolet Truck is your best buy!
