Township Stands Pat Turns Down Liquor

The residents of Chinguacousy Township rejected all questions in two liquor plebiscites held Saturday.

In Chinguacousy, where about half of the 5,208 eligible voters went to the polls, residents turned down all seven questions.

The township has been dry since 1904. A 60 per cent vote in favor is required by legislation for any liquor question to carry.

In Chinguacousy, 1,188 or 55 per cent of the voters were in favor of liquor stores.

On the other questions the results were: Beer stores 1,178 to 995, ladies beverage rooms 831 to 1,309, mens' beverage rooms 688 to 1,612, beer and wine with meals, 1,145 to 1,012, dining lounges, 1,240 to 926, cocktail lounges, 1,163 to 954.

A plebiscite will be held in Brampton on May 25 when residents will vote on men's beverage rooms, beer and wine with meals, dining lounges and cocktail lounges.
