SPORTSMEN OUTDOORS

BY FRED DARBY

Mrs. Merton of St. Andrews Church leader of the Wolf Cub Pack, and Fred Bennett, leaders of the Scouts group at the church, organized a trout fishing day at the old Albion trout club, for the Cubs and Scouts of the church.

George Horner and I were invited along as instructors in the fine art of casting and spinning. George, an expert fly-caster put on quite a show for the interested fishermen. The bait casting and spinning was left up to yours truly. I couldn't bait cast because I misplaced my bait casting handle for my rod. I was having trouble with my trigger finger when I started casting. My wife put on the show she at least caught a fish. P.S. She lost it while attempting to beach it.

25 trout were reported caught with no one winning any reported. No one which belonged to George or I. From all the laughs I heard and from the smiles on the faces of most of the 50 or so people in attendance, we can assume they enjoyed themselves.

The American Legion was taken over by the M.E.R.V. last year. Since then they have leased and maintained our day's fishing. They are still saving the area a little bit, but this is in the interest of other conservation areas. The difference here is that ours is the only one of the areas on the day that goes by. When this was a private club, it was continually stocked with Rainbow and Kaukauna trout. Speckles and Browns have been caught here since 1962 using this area. Would your group like to have a day like that? Phone or write M.E.R.V. Box 320, Wexford, or call 74060. Phone A.A. 4444.

Report of the Conservation officers of the Credit Valley Meaford Lake, King, and Stouffville areas indicate a steady decline in spawning rainbow trout during the past few years. They don't put out any more Salmon eggs yet.

The opening of the trout and trout streams in the Credit River some areas are open now. Help is requested of the Senior members to help organize a work party to help organize the Scouts that come to Lake in Georgetown on May 22nd to help in the planting. In previous years the Scouts have only been glad to fishing and swimming. Those interested in helping when the next hours come, please call and work party will be immediately reached at 74060.

The annual general meeting of the Credit Valley Conservation Association will be held on May 20th, 1964 at the Georgetown Inn, Argyle and Hunter Street, the purpose of the meeting will be to elect the executive for the year 1964.

The annual general meeting will be held at 7:00 p.m. Thursday, May 20th. The meeting place will be at the Hotel Argyle and Hunter Street, Georgetown.

At the meeting, the new executive for the year 1964 will be elected.
