CLINT'S 'TRAILERS' TURNED THE TABLES

WHEN THE LIGUE DE QUILLES Canadienne-Francaise, the French-Canadian Bowling League, wound up their season with the presentation party it was Clint Clendering, captain of Clint's Trailers, accepting the Carling Trophy for his championship team. The victory has to be regarded as somewhat of an upset since the team earned the trophy because they trailed the rest of the league through most of the regular schedule. MVP of the Carling Trophy team are (l to r) Guy Bernault, 16 Edin St., the league president, Clint Clendering, R.R. 3, Georgetown, and Roger Penner, representing the Carling Brewery.

The word FISHING in the dictionary is described as the act, art, sport or business of catching fish. It is as a business yours truly declares bankrupt, right now.

Last weekend I took my annual jaunt up to Wallomun Bay on the South East shore of Lake Nipissing. For the past 7 or 8 years I've been making this trip after those tasty Walleyes.

Although we've had a good spring this year that seems to have affected the trout fishing. I arrived at Wallomun Bay in great spirits with keen anticipation of landing a few of those tasty 2 to 3 lb. Walleyes on my fly rod with fly or streamer attached.

It would seem the fish had minutes then presto... up other ideas. Here I have spent some empty hook... long winter nights in the cold there is sport in fishing. It is lar, tying flies and streamers, great sport to see how close with only one thought in mind you can come to the bottom... (Walleyes)

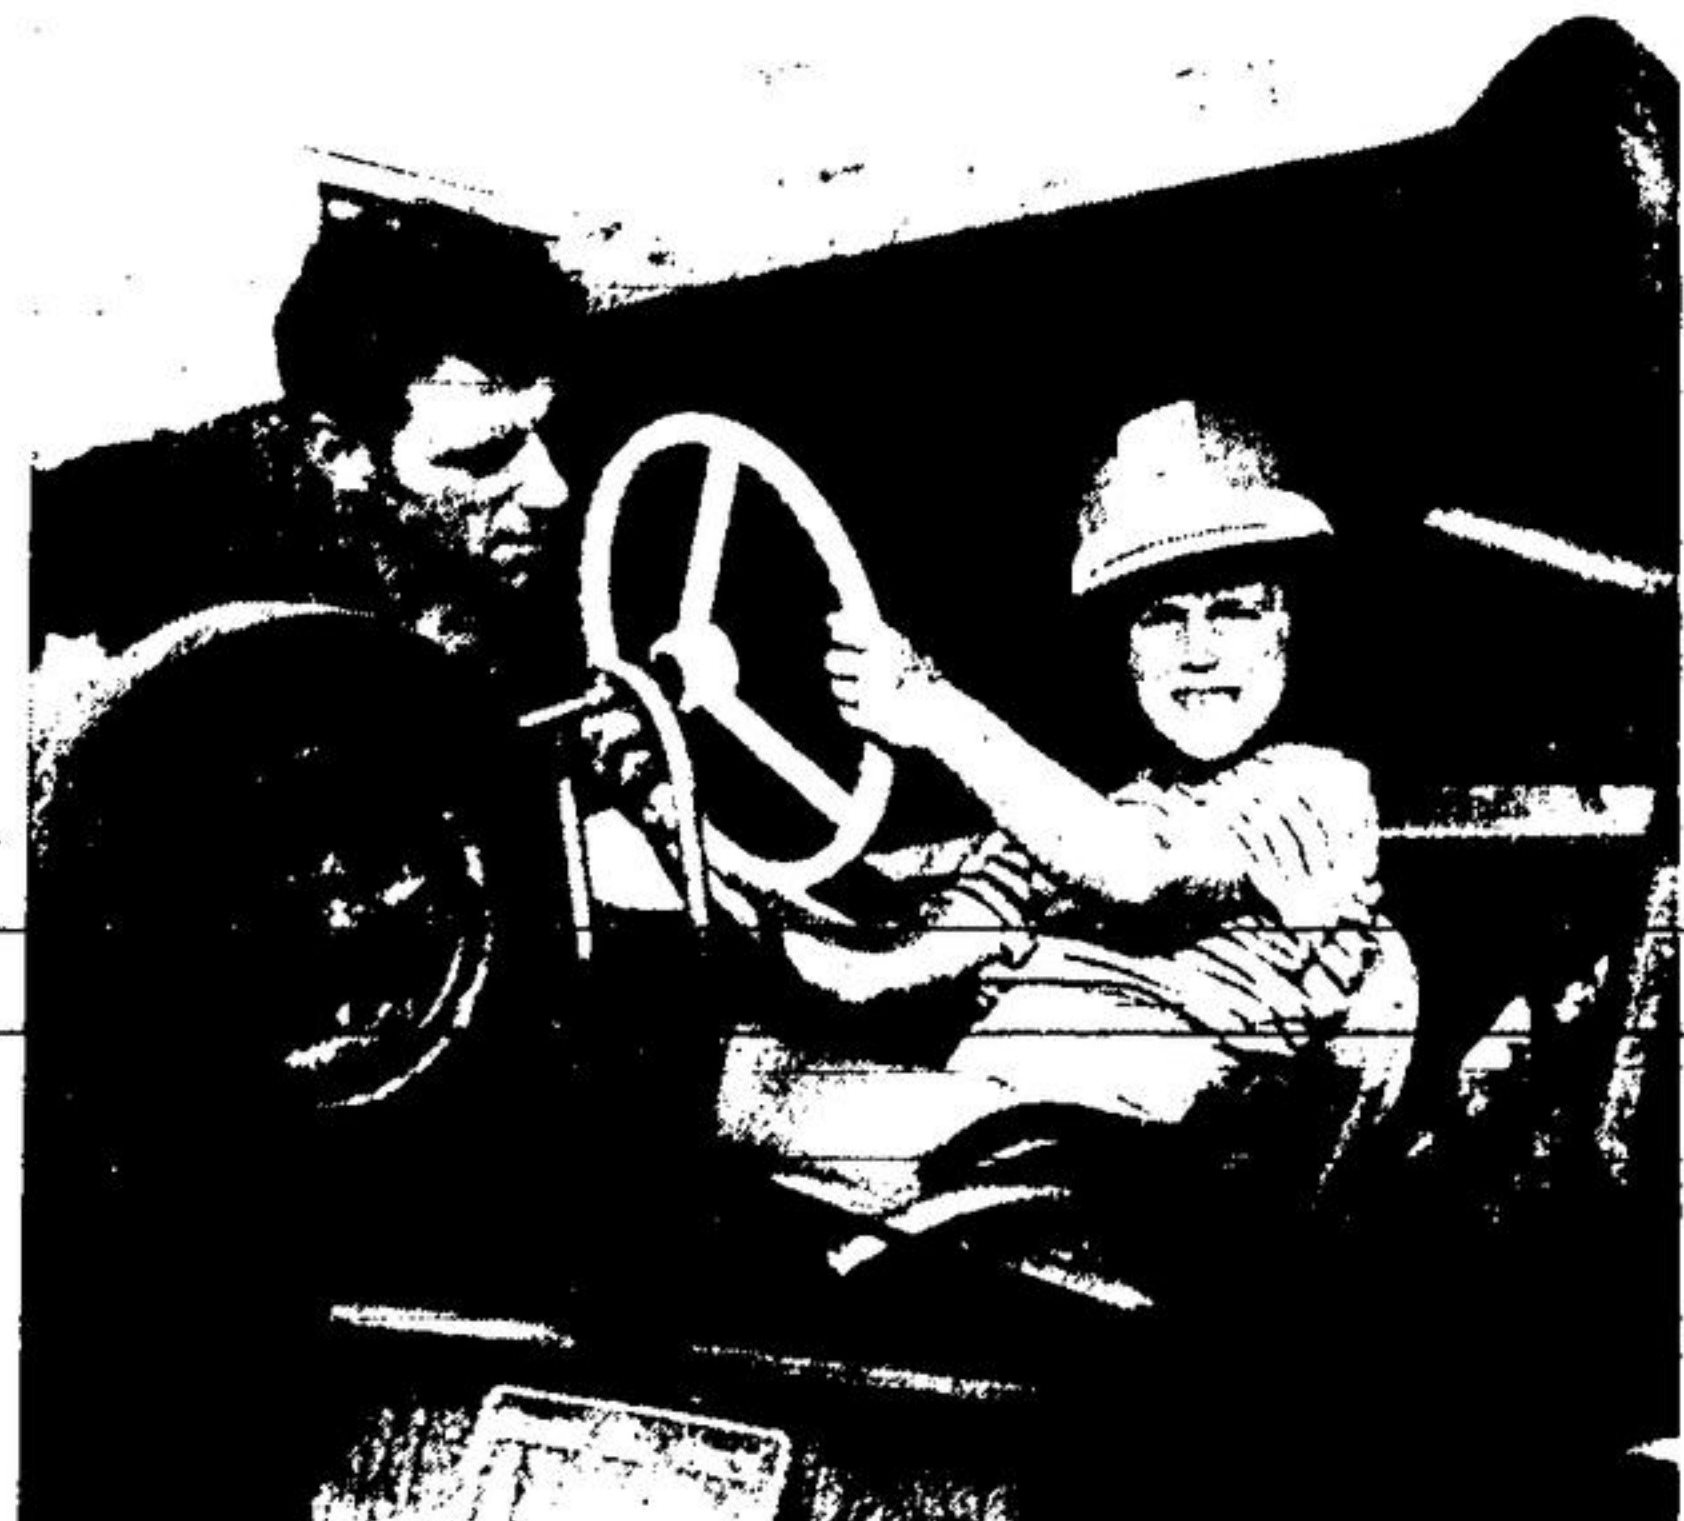

I left the dock and started snazzing. My baiting average morning my tackle box still has zero.

with fly and streamer. For a while I was fishing this fly, after countless casts and many hours on the water, after changes of flies I landed my first fish. It was a 2 lb. Walleye at the dock loaded with 10 smaller ones. Harry... ghtly we flew and streamer. I happened and lost at Wallomun think there's a poem there on him. Harry was most cool, somewhere.

AROUND THE BASES

Manager Bill Richmond is happy with the batting of Kelly and Holroyd just scored from Action. Also discussed the pool of last year's managers at Halton County Baseball Association. Bill Richmond was long shaver last year's Manager. The best defensive club and the weakest batting club in the league. The last two weeks seem to have shown the batters have found the range and home like a good season for Midget ball in Georgetown.

Giants Look Good Against 'Royals'

Georgetown Giants of the League are thinking about the Halton County Intermediate League may be in the South of Ontario.

After taking part in a regular competition in the first 3 games of the season they finished 1st on Friday May 24th to play the fourth Royals of the Ontario senior league and held the score to a respectable 4-1.

They opened their season with a 6-4 defeat on Dundas against Oakville and took a 16-1 thumping by the powerful Campbellville Merchants Saturday in Campbellville.

Bernie Dore, who started and went the distance in the Dore game was good enough to win with some infield support. Georgetown had some good batting in the 7th when they collected 12 runs.

In Campbellville the Giants manager only 2 hits off Gary Fields. Ten of the Giants' 16 runs were accounted for. The only Georgetown hitters were Jim James and Tracy Barrack.
