Lacrosse is Underway Tennis Ball Planned

Lacrosse has got off to a start with the first practices being last week. The Novice and PeeWee group will play Mondays and Wednesdays. Don Jarvie, Don Norton, Herb Robinson and Bill Ewles will be looking after this group. Bill Ewles is a welcome newcomer to Georgetown; he learned his lacrosse in Brampton and will be an asset to the local club. The Tykes will play Tuesdays and Thursdays. Harold Bairstow, Doug Spittal and P. Miller will be guiding the boys, who are under 9 years old. All practices will start at 6:30 p.m. Any boy who wishes to play may register on any of the above nights mentioned. There is no registration fee. If you have not a birth certificate, it is to your advantage that you get one. When a lacrosse tournament comes up and you are picked for the All Star team you must have one for tournament playdowns.

Bob McNelly and his committee have been working on a tennis court behind Raylawn Crescent on the outdoor skating rink area and should be completed in a couple of weeks; also in the same area a Tyke's ball diamond will be available in the near future. Volley ball is planned to be played on the lacrosse field on week-ends and also a ball diamond will be made beside the lacrosse box. There is plenty of room in the same area for horseshoes and if anyone is interested phone 877-4991.

The Delrex Recreation Committee have repaired the damage to the dressing rooms at the lacrosse bowl and the police will be keeping a close watch. Parents of boys who are caught doing any damage in that area will be held responsible.
