ESQUESING COUNCIL

Irate Resident Insists New House Will Stay

A house moved into Esquesing township without a permit provoked a storm in the usually serene Esquesing Council Chambers on Monday night Mr J Cook who moved the house on to lot 1, Concession 10, exploded in wrath after being told he would have to move it out or tear it down "I'm not moving it out, and I'm not tearing it down," he spluttered "This cost me a lot of money," he went on. "I had two brothers killed fighting for this country, and my father is a veteran of two wars. I was going to give him this house". Finally, he declared, "This is not Russia, this is Canada"

Reeve George Leslie replied quietly "You are not the only veteran in the township or unfortunately not the only one to lose brothers"

Mr. Cook is building one house on the property for which he obtained a legal permit, but in moving this other one on to it, he broke the by-law, which demands a permit before any house can be moved into the township.

In addition, as Reeve Leslie pointed out, the moved house is smaller than the area required by the building by-law

Mr. Cook's lawyer, a member of the firm of Blenkarn, Roche and Milman suggested that the breezeway and garage would bring it up to requirements, but council pointed out that the area minimum must be dwelling space. Then the lawyer asked if it would be permissable if the house was brought up to the floor area requirements without counting the breezeway and garage

"It doesn't matter," retorted Reeve G. Leslie, "if we let you come in without a permit, what about the others?"

"I was going to give this house to my father and mother, he has a heart condition I've already spent $1,200 bringing it up. It is going to cost me as much to tear it down as to fix it to your requirements" asserted Mr Cook

"I'm only trying to protect the ratepayers" replied the reeve

"If you didn't own the lot next door" he continued "and someone brought in a house like that you wouldn't like it. I know of two houses that are waiting to be brought in if we let yours in," stated Councillor G. Currie.

"We can't let you in" stated the reeve "if we do there is no use having the bylaw"

Bill Halls, building inspector told Council that Apple Dent ects Ltd in Glen Williams wants to build and right on up to the road line

"That's a county road" advised G Currie. "You'll have to ask Roy Smith (county engineer)"

The Building Inspector also reported that permits valued at $129,525 have been issued during May They were all for residential buildings

Sentiment seemed to be in favour of endorsing the Credit Valley Conservation Authority's $5,000,000 dam building project, however the final decision will be made next week

"What happens if we don't this and the population does rise enough to keep the cost to the province's 90% per h" queried Coun R. Lawson

"We'll be a minority of thirds of the ... project" replied the reeve

"This dam building programme will do more ... some of the things that done," opined Deputy Reeve W Leslie

"I go along ... Coun W. Latham ... they are spending ... the right direction"

Council Endorses Change In High School Boundary

Georgetown council on Monday endorsed a county by-law which will change existing boundaries between the local, Acton and Milton High School districts next term

The change, by which some students from the Ballinafad, Silvercreek area will be shifted to Acton and a number of rural students south of town will change from Milton to Georgetown, has met opposition from the north ruralites

The by-law has had two readings in county council and is now in the hands of the Minister of Education His approval would finalize third reading of the by-law

In a council discussion, Mayor Hyde said the change is being made to save transportation costs. There is duplication of bus routes at present around Ballinafad, he pointed out, with an Acton bus picking up students on one side of the road and a Georgetown bus on the other. Senior students will be allowed to finish their education in the schools they presently attend

"Everyone wants to attend our school" said Reeve Elliott "for it has the best facilities"

Georgetown's enrolment will be slightly less when the change is made, Mayor Hyde said

"I hope there will be a great reduction in the transportation costs" said Cr Jim Young "I understand Georgetown pays 90% of this but has only 10% of the students"

Cameron Retires As Church Moderator

A former Georgetown man, Dr Ross Cameron retired last night as Moderator of the General Assembly of of the Presbyterian Church in Canada Dr Cameron, minister of Dovercourt Road Church, Toronto held the church's highest office for the past year

Troussea Tea, Showers For Jean Penrice

On May 4th, Mrs Samuel Penrice entertained at a trousseau tea at her home, 36 Princess Anne Drive, for her daughter Jean who was married on May 11th to Ronald Glass.

The groom's mother, Mrs. William Glass of Malton, assisted in receiving guests and tea was poured by Mrs Fred Armstrong. Mrs. Elizabeth Carney, Mrs Arthur Beaumont, Mrs. Irwin Noble, Mrs. Don Wingrove, Mrs Edwin Wilson, Mrs. Harry Moss and Mrs Eric Timms. Misses Anne Tucker, Norma Smith and Helen Glass, who were bridal attendants, served the guests. Silver candelabra, white candles, white mums and pink carnations decorated the tea table.

Other events in the bride's honour included a shower by members of Georgetown Girls Pipe Band at the home of Mrs R B Hilker and a shower at the home of Mrs Eric Timms, Princess Anne Drive, attended by neighbors and the office staff in the Carretal Building.

Mrs E Wilson and Mrs Harry Moss held a cup and saucer shower at Mrs Wilson's home on Edith St Mrs Garfield Barnes was hostess at a miscellaneous shower at her home in Aurora

A novel idea, a mother and daughter shower, was held by Mrs Don Wingrove and Mrs Irwin Noble at the former's home, 15 Durham St when guests brought gifts for the bride's kitchen

Bridal attendants Misses Tucker Smith and Glass held a miscellaneous shower at the home of Mrs Earl Tucker 92 Main St N

Giants Come Alive Win Two Ball Games

Georgetown Giants, who remained comparatively silent while their Halton County Intermediate Baseball League compatriots circled the base paths with annoying consistency during their first three outings, are starting to make a noise.

Last Wednesday they beat Dundas here 4-3 for their first triumph of the campaign and Sunday they followed it up with a come-back 11-9 win over the Milton Red Sox in the county town.

A triple by outfielder Tom James was the blow that crushed the Red Sox, who at one time owned a 7-1 lead. They were still on top by 9 to 7 when the 8th inning explosion turned the tables. With two gone, Bernie Dore walked and George Doucette singled The runners moved to 2nd and 3rd on a wild pitch and Dore scored on a second wild throw to make it 9-8. Tracy Barrager's lined shot scored Doucette with the tieing run and Tom James followed with his three bagger that brought Barrager in with the winner. James scored when Don MacLachlan singled This was MacLachlan's fourth run of the afternoon

Glen Gibbs started and lasted for two innings before he was hitted for Harry Allison who was chased in short order making way for Bernie Dore Dore finished the contest 5 runs were charged to Gibbs and one to Allison who failed to retire a batter Jim Hopkins started for Milton and went 5 1-3 frames before Tom Marks came on Marks was charged with the loss

The Giants went into a 1-0 lead in the first inning on an unearned run, but the Red Sox took advantage of a hit batter to pull even in the second When the 3rd inning was over Milton had a six run lead with a pair of errors and hits by Melanson, Hyatt and Clayton accounting for most of it

Georgetown rebounded with a five run inning in their half of the 4th Don MacLachlan tripled with the bases loaded after Barrager had singled Home Dore and MacLachlan scored from third on the same play on a throwing error Another error allowed Doucette to score in the 5th and Barrager came home with the tieing run in the top of the 6th

In the bottom of the 7th Don Melanson was hit by a pitch Hyatt singled and Bob Pitcher was walked to load the bases Dave Charlton relieved the losing pitcher of the day and made it 9-8 by forcing Hyatt at the plate Melanson was ... has 3-1 ... 4 ... 3 ... 2 ... 2 ... 2
