These emblems are 4" square metal markers that will be attached to trees at eye level and spaced four to a mile along the trail route. The marker will become a familiar sign to hikers in the years to come. In this area the trail passes north west of town at Linthouse and Silvercreek.

In addition to the metal marker, the Trail will be identified by regularly placed 6" x 2" white paint blazes in the system. Careful marking and many landmarks will be provided. Trail workers for their conscientious efforts. Great care is taken not to cut trees, damage property or to mark unnecessarily. Fences are protected by stiles.

Any reader anxious to know more about the Bruce Trail program should write to: P. R. Enchase, Box 112, Guilford, Ont.
