Weather is Winner in Week-End Baseball

Georgetown Midgets didn't win a game this week but they didn't register any losses either, except to the weather.

Saturday's game with Oakville was cancelled and Sunday's home game against the Campbellville team was rained out. Showers halted the home game twice before it was finally called.

The first half game at the end of the third inning with the local crew ahead 2-0. After the rain the teams resumed play only to have Campbellville force ahead 3-2 before the second cloudburst halted the game for good.

Georgetown goes to Brampton Saturday afternoon and hosts Milton on Sunday afternoon at 1:00 p.m. at the park.

Early Lead but Baseball Giants Lost to Hamilton

For the second time in succession Georgetown Giants of the Halton County Intermediate Baseball League have watched an early lead disappear and turn into a loss.

Playing in Hamilton last Thursday night the Giants opened a 2-0 edge in the second inning and then took a shellacking to drop their first encounter with steel town 12-5.

Ken Gibbs was the starter and loser pitching 2 and two thirds innings. Harry Allison appeared briefly on the mound but was lifted for Bert Dore after pitching to just two hitters. Dore finished the contest. Hamilton's winning hurler was MacMillan who went most of the distance but needed help from Mike Lynch in the last frame.

MacMillan walked Doucette and Russ Bradley with the bases loaded to account for Giants' second inning scores. Their third run crossed the plate in the 6th frame when Doug Richardson's single scored pinch hitter Jim James from third. Runs 4 and 5 came home in the top of the last inning. Doucette, who reached first on an error, and Russ Bradley, who singled scoring the sacrifice fly by Ron Ritcher and a throwing error.

Hamilton scored twice in the bottom of the 2nd, three times in the 3rd, four times in the 4th and three more in the 5th. Hamilton returned the visit last night. Georgetown traveled to Oakville Saturday, and Milton will be here on Wednesday, June 26th.
