"TOSS YOU FOR THE COFFEE... OOPS"

WHEN THESE CHAPS "toss" to see who'll buy the coffee, chances are they won't use a coin. They are Judoists, Dieter Hachmann, 164 Guelph St., and Harry Liberty, 40 Main St., who took part in a YMCA sponsored Judo demonstration in the High School cafeteria, Wednesday, June 19. Dieter flies "hed down over Harry" executing a flip.

DIETER HACHMANN uses a manoeuvre requiring skilled footwork to take Harry Liberty to the mat during the Judo demonstration in the High School. Judo is an ancient Japanese method of barehand fighting with emphasis on throwing an opponent. Harry Liberty will be the instructor during Judo classes which will be initiated in the near future.

Sixty nine Lions from all over the District took part in the competition at Georgetown Golf and Country Club and when the cards were totaled the Bramalea Lions team of R. Coole, A. Small, H. Doan, and W. McVean, had topped the team trophy from the defending host club. In all 12 Lions clubs were represented.

Georgetown anglers George Hart, Ian Pregrave and Judd it was a big success. Money Hoare visited the Bruce Mines area last week for a little while. The Brook Trout fishing they fish M.T.R.C.A. and the F. of A. & out of Cedar Stones Lodge, M. co-hosts at the fair, a 20 miles north of Bruce Mines bought approximately 1400 This was the area that George and I tried to find a few years ago after reading so much about it in Mike Bolton's column. We found it too late in the day as we also wanted to visit the "Gap" highway 17, north of the area. With George and I as guides, they had a good time. Mr. Stone NE. For a show of this type no better setting can be found in the area of his lodge. Any of which you can fish and camp-at-over-night. The boys had fair luck, netting four trout in the 2nd class and more in the 1st class. Flies were the fish getters of this trip, with George's version of the crane fly getting all four 2 pounders. George caught two and Ian and Judd one each.

Dune Robinson and his wife fishing in the Manitowish Island area had a little better luck last weekend. Fishing mainly outdoors. This is what the future with Williams, Wahlers, Dune Sportsman's Fair can mean in the future.

There was much room for improvement at this first fair. It was caught by Dune's wife. Bobby Nine Lake Trout were caught in all 1 weighing 13 lbs. four at eight pounds, and the rest averaged a little less. Dune reports a 40 lb Laker was caught by a fisherman from south of the border.

Before we leave fishing, a reminder. Maskinonge and Bass season opens June 29th in Southern Ontario waters. Oth areas open on June 22nd. Check your regulations to be sure that the area you intend to fish is open for fish on the days you intend to fish these waters.

Let's keep in mind the words of a favourite old song, "Meet Me At The Fair" (the Sportsman's Fair, was men's Fair, that is).

Winnipeg, Kentville Would Enter Tourney

It's almost a year away, but inquiries are already coming in about the 1964 International Bantam Hockey Tournament. Both George and I had the opportunity to talk to most of the visitors at the fair and this alone was worth the inconvenience. We both hope Asseltine told The Herald that two teams have not been included in previous tourneys. Winnipeg, Man., and Kentville N.S. have written asking to be included in the 1964 schedule. Winnipeg will be a class and Kentville in C or D.

DIAMOND DUST
Catcher Holmes whose absence was felt, will be out for the next week due to having his tonsils removed. George lost an exhibition game on Wednesday to the Oakville Juniors, 2-0. The difference was a short home run with one man on over the stands in the centre field on the old diamond. The losing pitcher was John Monkman and Manager Richmond experimented with his team. He was also pleased with the play of Jan Ridall, a new boy from Acton, who plays second base and got five hits in six times at bat. Next game is in Campbellville on Wednesday night and the team rests over the long weekend.
