## OUR SCHOOL TRIP

By Linda McGill

On June 19th, the Grade 8 students of Park School went on their annual educational trip. We boarded the bus for Old Fort York at eight o'clock. Upon arriving there we were taken to a blockhouse where we were shown a film on the War of 1812. After the film we were shown various buildings, blockhouses, officers' quarters and the barracks. We also saw costumes of the day.

Our next stop was at the Legislative Assembly. Our guide took us to the Legislature where we sat in the assembly seats and the guide explained the room to us. When we left we received a puzzle map of Ontario and some literature.

Most of us were getting hungry so we went to the park and had our lunch. After everyone had their fill we went to the Canadiana Gallery. Here we saw many old fascinating Canadian articles. We saw everything from model boats to silver and glass ware. Many paintings of Kreighoff were on display.

the tour was finished we had a few minutes to look around. We arrived home safe and sound after an enjoyable trip.

"People who have little money for luxuries are better off than those who are wealthy," says an eminent psychoanalyst who is probably doing a great deal towards making his patients better off.
