PIKE'S WANDERING COST HIM HIS FREEDOM

A CURIOUS PIKE made young Richard Wright the celebrity of his neighbourhood last Wednesday. The ugly cruiser of the reeds shared his fate when he decided to wander from his natural habitat into the Credit tributary that crosses Main Street at the Notre Dame de Beauregard Farm. Dennis Wright, 46 Main St. S. and buddies Grenville Tost, and Rick McVey and mother Gerry Wright spotted the long grey shadow while fishing from the bridge and after several tries Richard got the big fellow to take the bait. Above: figures the pike probably made his way into area waters from Acton point.

SUGAR and SPICE

Summer time and the love was here. It's easy to see why the man said it. Today the pup is sitting on his rump in the yard, laring with appalling ferocity about his domain, while the black squirrels, cats and butterflies, secure in the knowledge that he couldn't lick a baby robin with both wings tied behind his back, flirt about on the lawn just out of reach.

And the living is anything but easy. We have spent all our money except the last bit by bonus, and there's a month to be put in before we get the next paycheck.

Kim is in the hospital getting ready to go to camp. To hear her mother's voice, she's a good girl. She's a good girl, she's a good girl, she's a good girl. She's a good girl, she's a good girl, she's a good girl.

Nassagaweya Newlyweds Living in Georgetown

Edward's fiancée of summer she carried red and white ribbons, decorated Ebenezer Church, Nassagaweya for the recent marriage of Miss. Barbara Hildebrandt, Margaret Parker and Joanne Sigurdson were inspired with an idea to provide a club which would provide summer activities for the teenagers of Georgetown. The Nassagaweya Y.M.C.A. convened a meeting with this group.

The girls considered that the club should be well equipped to attend their meetings and to take part in helping to start this club and also be able to do on the executive.

The word was spread and at their next meeting several males were present. The YTeens started to expand as teenagers both male and female began to attend the meetings.

Since the first few meetings the club has held three Friday night dances which were very successful and have now set up a Dance Committee with Dave Underhill as Chairman. Tom Marshall (Middleton) informed us that we could rent all of Middleton's equipment and records. Tom also said that he would be willing to teach Dave Underhill how to work the equipment.

The club then made temporary club rules and set their purpose in providing well organized and chaperoned recreation for the Georgetown teenagers during the summer months.

The temporary officers elected so far are as follows: President Barbara Hildebrandt, Secretary Margaret Parker, Treasurer Dave Kennerly, Dance Committee Chairman Dave Underhill, Dance Committee Helpers Petra Boudridge, Brad Bennett, Rhonda Gadd and

County Junior Farmers Planning Street Dance

County Junior Farmers from both counties and 1962 is any in that it should be a success but affair.

The county has decided to invite the Waterloo Junior Farmers to attend as guests of the Halton and Peel Junior Farmers.

Halton County is 110 Years Old

Halton County's 110th birthday passed quietly this month without most residents or even politicians realizing it. On July 12, 1853, William James Young called the first meeting of Halton County Council to order at Thompson's Inn at Milton. Original townships in the county were East and West Farnborough, Nelson, Trafalgar, Esquimaux, Nassagaweya, Beverley and Dumfries.

Plan Dances First Activity For New Town Teen Club

By Wayne Miller

Miss Pickup, Adult Club At the Street Dance held at the Delroy Place last Saturday night. Although we were first threatened with rain, we held our posts and started the dance when the sun let up. The dance started off slowly with only a few couples dancing but it quickly picked up momentum as more people showed up. I am sure everybody enjoyed the night, especially Patricia White and Alan Moore who were the winners of a special dance. Special thanks to the following people who have been giving advice and support to these dances: Mr. and Mrs. J. Pickup, Mr. and Mrs. D. Parker, Mrs. Eve Woods, Mr. and Mrs. William Robbins, Mr. and Mrs. Robert Allen, Mrs. C. Hart, Mr. and Mrs. J. Payne and Mr. and Mrs. R. Kowalchuk.

You teenagers have been looking for something to do so here is your chance. Support our dances and our Club and we will try to provide you with many types of recreation.

The last meeting of the organizing group was held on August 7th at 7:30 p.m. at 39 Main St. S. Hope to see you at our next Friday night at the Wigglesworth School Auditorium, August 16th at 8:00 p.m.
