Six Homers Cinch Ball Game for Local Girls

Six home runs carried the Kinsmen's Girl Softball League on to a 34 to 15 victory in an exhibition game last Wednesday night at the Park/Delfox Avenue diamonds. The defeat of the girls' team by the boys' team from Oakville.

This was a return match for these two teams as the previous Wednesday the Georgetown girls travelled to Oakville and trounced their hosts 18 to 14.

In Wednesday's game, the pitching for the Jackson's team was split between Janet Armstrong and Jan Baker, while Vivian Shields and Jane Hills were on the mound for Oakville.

Two homers by Viv Shields and one by Linda Cooney highlighted the Oakville attempts to recoup their previous losses. They were overwhelmed by a series of homers by Jan Baker, who scored two and one each for Gail Pries, Leslie Quark, enbush, Janet Armstrong and Gloria Jones.

In the first meet of the two game exhibition series, Oakville made some outstanding plays.

Showing their talents that evening were Marjorie Kineston playing shortstop, Jan Logie, best catching and Viv Shields, pitching who capped her night with a homer.

Jan Baker, Brenda Ezzard and Gail Pries drove in the home runs for Georgetown and the close score indicates it was a hard fought game.

There is a good deal of life here to be seen here at Georgetown and it is showing up in the attendance at the girls' softball games. The spectators at the Kinsmen's Girl Softball games are becoming more numerous and enthusiastic as the season wears on.

For all who enjoy a good ball game there are two senior ball games underway every Tuesday and Wednesday night at 7 p.m. and two junior games played every Thursday night at 7 p.m.
