## Their Own Weapons and Uniforms 1816 Militia "A Motley Crew"

This is the second in a series of articles dealing with the history of the Lorne Scots, (Peel, Dufferin and Halton Regiment).

President Monroe declared war on Great Britain on June 17th, 1812, and preparation was made to invade Canada from Detroit and across the Niagara River to Montreal and Quebec. Major General Isaac Brock, Lt. Governor of Upper Canada, mobilized the local companies. A flank company of the second York Militia, raised in the Townships of Toronto, Trafalgar and Nelson, commanded by Capt. John Chisholm, served with General Brock at the capture of Detroit, and later at Queenston. The 2nd York Militia, raised in the Townships of Peel, Dufferin and Halton, served with General Brock at the capture of Detroit, and later at Queenston. The 2nd York Militia, raised in the Townships of Peel, Dufferin and Halton, served with General Brock at the capture of Detroit, and later at Queenston.

In 1816 the Gore District Militia was established. It included other townships and the townships of Trafalgar, Nelson, Essex, and Kent. The militia was organized into companies, each with its own arms and uniforms. The militia was active during the War of 1812 and the War of 1814.

### Senior Citizens' Club Is Promoted by "Y"

Georgetown will have a Senior Citizens' Club if local clubs show a response to a letter being circulated by the YMCA.

Letters were sent to Georgetown service clubs last June but to date only one club, The Lions, has responded to the request of Y Honorary President Alex MacLaren for two appointees from each group.

Mr. MacLaren, in his original letter asked for representation from each organization at a meeting originally slated for some time in July.

Mr. MacLaren told the Herald that he intends to try again with a second letter.

Many of the local clubs recessed for the summer, and it's probable that they would not have an opportunity to deal with the request until the fall.

In the letter Mr. MacLaren said they (the YMCA-YWCA) would like to consult the various service clubs in Georgetown in order to organize it as well as possible.

A Senior Citizens' Club would provide group activities, outings and social get-togethers for the older residents.

### Christian Witness is Stressed at Service

Sunday evening, under clear skies, the Georgetown Ministerial Association held another service of worship in the town park.

The Rev. J. H. McMullin conducted the service and the Rev. Ian M. Fleming brought the message. Taking as his text Matthew 5:16, "Let your light so shine before men," Mr. Fleming stressed the necessity for a truly vital witness on the part of every Christian.

The Georgetown Citizens' Band played the hymns, and following the service, presented a short concert which was greatly appreciated by the crowd in the grandstand. Through the kindness of the Kiwanis Club a public address system enabled the speakers to be heard without difficulty.

Next Sunday evening will bring to a close this series of services which the Association believes has been a rewarding and worthwhile effort.

### Social & Personal

Mrs. William Copeland, 89, of 111 Charles Street, has just returned from a trip to Vancouver where she visited with friends and relatives. Together they travelled about 10,000 miles and returned through the Kootenai Valley. They spent a week-end at Red Lake, B.C., visiting Stanley Park and the Queen Elizabeth and Arbutus. They also took the chair lift up Grange Mountain.

### Red Cross Doesn't Select Pool Personnel

25 Metropolitan  
August 11, 1963

The Editor,  
Dear Sir:

Referring to the letter of E. Hogg, published in the Georgetown Herald of August 8, 1963, on page 7 under the heading "The Mail Bag," the Georgetown & District Branch of the Canadian Red Cross Society wishes to set the following statement:

The local Red Cross has done a great job this year in providing the pool with the best group of instructors since it opened.

The local Red Cross Branch did not provide the swimming instructors for the pool. However, indirectly, the Red Cross contributed to obtain and train the instructors. The instructors were selected by the Pool Director, Mr. Clifford Johnson, and hired and paid by the Georgetown Board of Parks.

The Canadian Red Cross Society gives free swimming instructors' and Leaders' Courses to interested persons. Passing of these courses is required to be qualified as a Red Cross Swimming Instructor or Leader.

The local Branch looked after certain expenses such as transportation and living expenses for the persons of Mr. and Mrs. Ted Johnson, who worked with the Red Cross courses at the Golf and Tennis Club in Guelph and Toronto.

The Branch also supplies Mr. and Mrs. Donald Galloway and Mrs. Jean Galloway and Mrs. J. H. Galloway with the swimming classes at the pool.

The fees paid for the swimming classes go to the Board of Parks and not to the Canadian Red Cross Society.

Yours truly,  
(Mrs.) Jack Newbold  
Public Relations Chairman  
Georgetown & District Branch  
The Canadian Red Cross Society

### Former Pupils Gather for Pinegrove School Farewell

Pinegrove School, a well-known night-long school in the town of Hantsburg, was the scene of a very happy occasion when the former pupils of the school gathered for a farewell party on August 11, 1963.

The party was held at the school and was attended by many former pupils and their families. The school principal, Mr. J. H. Galloway, presided over the occasion.

The party was a success and was enjoyed by all who attended. The former pupils of the school were very happy to see each other and to hear from their former teachers.

### Advise Safety Flags For Farm Vehicles

The red safety flag mounted on a vehicle helps to warn the motorist that he is approaching a slow moving vehicle. However, the motorist should always remember that farm machinery on the highway moves much slower than the normal flow of traffic.

Let's cut the accidents this year. Remember, courtesy may save your life!
