A WARD WINS AWARD

WHEN THEY SING "You Must Have Been a Beautiful Baby" to David Ward in a few years he'll be able to go to the scrap book and display the proof. Lil' David, son of Mr. and Mrs. A. L. Ward, 8 Hale Drive, took second prize in the Labour Day Baby Contest at the CNE.

Fatima Statue Bringing Peace Message to Town

A religious statue carrying an important message of peace for the world will start a pilgrimage in the Halton County area in November. The statue carved in Portugal, is one of several used throughout the world. It is accompanied by the Rev. Father Moore who first received it at Fatima, Portugal, on May 13th, 1948. The statue is being received by the Roman Catholic Church in May, 1948. The itinerary for devotions is as follows: Monday, 18-23 Nov. Monday, Tuesday, Georgetown; Wednesday, Milton; Thursday, Oakville; Friday, Milton Hills; Saturday, Loyola Retreat House; Sunday, 24-30 Nov. Sunday, Oakville; Monday, Tuesday, Wednesday, St. James; Wednesday, St. Dominic's, Wednesday, Burlington, St. John's; Thursday, Burlington, St. Theresa's Mission. GLEN WILLIAMS

Bible, Silver Tray For Bridal Couple

Last Thursday evening Mrs. Rev. Moody held a miscellaneous shower for Bonnie Stokes. She received many lovely gifts for which she sincerely thanked everyone. A dainty lunch was served, as assisted by Mrs. Arthur Everett.

Congratulations to Mr. and Mrs. Paul Marshall on the birth of another son last week.

Mrs. William Everson underwent an operation in Georgetown and District Hospital last week. We hope she'll soon be feeling better and home again.

We extend sympathy to the John Macdonald family in the sudden death of Mrs. Macdonald last week.

Our enumerators have been busy completing their work. They were: for Poll No. 1, Mrs. John Hunter; Poll No. 2, Mrs. Merle Reid; and Poll No. 12, Mrs. George Eason.

We extend congratulations to Mr. and Mrs. Bob Hooper on the birth of a son — first grandchild for Mr. and Mrs. John Hooper.

Getwell wishes are sent to friends in Georgetown & District Hospital, Mrs. Ernest Rogers, Mrs. George Foster and Mr. Henry Preston. We hope they'll soon be able to be home again.

Friday evening Mrs. John Oltaway was hostess at a shower for Bonnie Stokes where all Bonnie's high school friends had gathered to honour her. Beautiful gifts were showered on her and the rest of the evening was spent in reminiscing about school days. A lovely lunch was served Saturday evening John Oltaway held a similar party for Ken Beam when his high school chums attended and presented Ken and Bonnie with an electric floor polisher.

Bill Wheeler is busy these Sunday mornings teaching skating to crippled children at the Weston Arena.

Marilyn Barth is teaching in Guelph this year at Paisley Rd. Public School.

After morning worship service Sunday in the United

Church, Rev. L. Freil, on behalf of the congregation, presented Ken Beam and Bonnie Stokes, who are to be married Saturday, with a bible and a silver tray. Ken has been an active worker and will be missed as they take up residence in Richmond Hill. Coffee was served in the Fellowship Room following the presentation, where members met Bonnie and where everyone could see the tray for which Ken thanked everyone sincerely.

This Sunday, Sept. 15th, is to be Laymen's Sunday and Weldon Kilburn who is with V.C.A. and living in Winnipeg is to be the speaker at church. Weldon lived here a few years ago and was Sunday School Superintendent then. We hope many of his friends will come to hear him.

The following Sunday, Sept. 22nd, there will be the Harvest Home Festival at 9:30 a.m. The ladies decorate the church beautifully for the occasion, so hope you will come to help celebrate this old custom of Glen United Church. "Come, ye thankful people, come."

Raise the song of harvest home.

On Sunday evening, Mr. and Mrs. John Wagstaffe were hosts to honour their nephews, Ken Beam and his bride-to-be, Bonnie Stokes. About twenty-five relatives gathered and were shown pictures of the relatives across the sea, taken this summer by Betty. Then gifts were opened for which all were thanked. A dainty lunch brought a very pleasant evening to a close.

BELL LINES by M. C. Sloski your telephone manager. DEATH BY SUFFOCATION. According to a U.S. government test conducted on 201 youngsters aged 3 to 5, abandoned refrigerators, freezers and ice boxes remain death traps even when equipped with safety devices. Induced into a refrigerator-like playhouse and told to come out as soon as the door was closed, two out of every five children MADE NO ATTEMPT TO ESCAPE, even though the door was provided with a release mechanism. Observed through an invisible viewer for up to ten minutes, some cooed and played happily; some lay down to go to sleep; some pounded on the door without attempting to push it open; others simply cried. PLEASE PLEASE PLEASE alert your little people to this danger and help make sure that all abandoned or temporarily idle refrigerators, etc., have had their doors removed, or else are so tightly bound that no child could ever get into them. This is especially true now that older and wiser brothers and sisters are back at school and tinier types must make most of their own fun.

FACTS FOR LIFE. The tragedy of a child locked in an abandoned freezer make me wish a telephone had been in there with him. Impractical? Unfortunately, yes. But take another emergency where a youngster does have access to a phone. Would it be just another toy to him, or would he know enough to use it for help? Few parents permit their children to play with the phone, since this can put it out of order. But I wonder how many explain how serious an instrument it is and how to use it in case help is needed? From seeing adults use the phone, would a child know to wait for that tone? Would he understand that if he pulls the dial back, instead of letting it return freely, he can get a different number from the one he wants? I doubt it. But if these things are carefully explained to him, he WILL hear the reassuring voice of the operator if he ever needs help quickly.

NUMBER FACTS. Since we seem to be on children this column, here's a puzzle they probably don't know. And believe me it's good practice for any budding mathematician in your family! Take your telephone number and double it. Add five; multiply by 50; then add your age. Now add the number of days in a year and then subtract 615. If all went well, your total should consist of your telephone number and your age, reading from left to right. But make sure you have lots of paper to start with!
