Exciting Finale Seen as Dairy Queens Triumph

Last Saturday saw the final from the formidable Jackson-Barzani Centre.

The season was rounded off on Saturday evening with a crest presentation and a hot air balloon party in the Park. Well over 100 Dairy Queens, Kinettes and parents were on hand for this festive and successful season.

This was the first time that the Kinettes had undertaken a project of this nature and the value of its success can be measured by the satisfaction and joy involved and the large crowd who turned out with each game.

Bigger Midway at Fair Forecast for October

Georgetown Fair should have a bigger and better midway at this year's event due to the fact that the fair is almost sound and there are no less in the immediate vicinity to take part.

Bernard shows have been providing our fair with a number of good rides and other attractions and this year proved to be the best yet.

Public school children will be admitted to the fair free of charge and free tickets have already been delivered to the schools of the district. So many children and their parents will be drawn to the fair and enjoy the day that it is expected to be one of the most successful in the history of the fair.

Rugger Team Dance At Riviera Night Club

Beavers Rugger team held their first social affair of the season at the Riviera Night Club on Friday, September 13th, and in spite of the numerous date girls, the team was recognized.

Over 250 Rugger supporters turned out and truly had a ball.

Four prizes and spot prizes were presented by Mrs. Betty Lewis, wife of the Beaver president.

Support came from Truro and Guelph. Plans are now in progress for an end of season dance which they hope will also be a League victory dance.

A film show and smoking party will be held at Hudson Beavers recreation room in Brampton, September 24th.

MIXED PIX

On page 3 of last week's Herald a picture appeared in an advertisement headed "Meet Wray Alan Bob Clark".

It was a good catch, but not with our drawback.

To explain better, the Herald picture is produced in Georgetown, but the actual print was produced in place at the Guelph. However, the picture was taken on a high speed press, therefore, it is not a true picture of the scene which are photographed on plate and printed directly from the negative.

Someone Mr. X... called on Mr. G... to really meet Bob Clark. (See page 3 of this issue.)

Play 'Calculating' Rugger 'Multiply' Score on Adders

Georgetown Beavers continued the fall rugger season with a bang on Sunday in the Park, winning 28-0. The unfortunate victims were a team officially named C.A.S.A., short for Chartered Accountants Students Association, who whimsically choose to be known as the Adders.

As it turned out they picked the right name. Before the game was over their talents for adding was to come in mighty hands.

The local team having won 3 games out of 4 in exhibition games prior to the league commencing carried on in their usual manner to make a formidable team for the Adders.

The fitness of the Beavers was evident from the start and soon had Adders back on the card line. From a scrum there, Paul Barber playing a great game at wing forward scooped up the ball and scored before anyone realized it.

Smart passing movements brought two to Mark Helton and Gerry Ammitichan and put the Adders in trouble from which they never recovered. The half time score was 16-0. Changing ends, great rushes by Allan Wilson and Gordie Lee put Beavers in good position from the formidable Jackson-Barzani Centre.

The season was rounded off on Saturday evening with a crest presentation and a hot air balloon party in the Park. Well over 100 Dairy Queens, Kinettes and parents were on hand for this festive and successful season.
