BIRTHS

MENDHAM — Born to Mr. and Mrs. Ken Mendham, Toronto at Toronto General Hospital, on Friday, September 20, 1963, a daughter, Laura Elaine.

DEATHS

BOYS, David John — Departed from this life, David John beloved son of James and Velma Boys, aged 3 years. Gone but not forgotten.

MEMORIALS

SCHOFIELD — In loving memory of a dear father and grandfather, Ellis Schofield, who passed away September 30th, 1957.

It broke our hearts to lose you, but you did not go alone. For part of us went with you. The day God called you home. — Ever remembered by daughter Jean, son-in-law Ken, grandchildren Virginia and Jim.

SCHOFIELD — In loving memory of Ellis Schofield who passed away September 30, 1957.

Just a thought, a sweet remembrance, just a memory sad and true, just the love of sweet devotion. And one who thinks of you. — Ever remembered by his wife, Frances.

McGUGAN — In fond remembrance of our brother Arthur who died as result of an accident on Saturday, September 22, 1957.

It only takes a little space, to write how much we miss you.

But it will take the rest of our lives to forget the day we lost you. Death leaves a heartache nothing can heal.

Love leaves a memory no one can steal. And all through the years, be it many or few, will be filled, dear brother, with memories of you. Too dearly loved ever to be forgotten. Sadly missed and always remembered by brother Bob, sisters Marg and Betty.

McGUGAN — In loving memory of a dear son, Arthur, who died as a result of an accident on Saturday, September 22nd, 1957.

His message— Come to my heavenly garden, And see in perfect bloom The flower you loved so dear.

And thought I plucked too soon, Then you will know my reason, Though you know it not today, Why in his promising young manhood, I took your son away.

— Sadly missed and always remembered by Mum.

WARD — In loving memory of a dear sister, Emmeline Ward, who passed away September 27th, 1962.

You are gone but not forgotten. And as dawn another year In my lonely hour of thinking Thoughts of you are always near. Days of sadness still come over me. Friends may think the wound is healed.

But they little know the sorrow That lies within the heart concealed.

— Sadly missed by sisters Elizabeth and Viola.

WHEELER — In loving memory of a dear son and brother, Winston Wheeler, who died September 28th, 1951.

'Tis well he will suffer no more. In the loved land of the blest, Pain fled as he trod heaven's shore. It left him at peace and rest — Ever remembered by John Wheeler and family.

CARDS OF THANKS

HORDERN — I would like to thank our many friends and neighbours for their acts of kindness, cards and flowers, etc. while I was a patient in the Queen's General Hospital, the Georgetown and District Memorial Hospital, and since returning home. My heartfelt thanks to all. — Elsie Hordern.

ROGERS — I wish to thank all my kind neighbours and friends for cards and flowers while I was in Georgetown and District Memorial Hospital. — Mrs. Ern. Rogers.

Soil Samples Should Be Taken In Fall

One of the main jobs on Halton farms at this time of the year should be the taking of soil samples. The fall months are an excellent time to take soil samples, and recommendations are received in time to place fertilizer orders early.

Soil testing is an important link between soil and crop research and individual practice. Behind a soil test and the resultant recommendation lies a great deal of soil chemistry and fertilizer research by agricultural colleges and experiment stations. Much of this work has been carried out in closely controlled field and laboratory experiments during the past ten or fifteen years. Someone has aptly stated "The time a farmer spends taking soil samples can be the most profitable few hours in the entire year."

What is the return to the farmer for time spent taking and submitting soil samples? It could easily be \$10-\$20 or more per hour, depending on the crop to be grown. This is due to the use of recommended rates and ratios of plant nutrients.

Halton farmers may obtain soil tests by submitting samples to the Ontario Agricultural College. Soil testing boxes are available free of charge at the Extension Branch, Ontario Department of Agriculture, Milton. The test samples are analysed by the Soils Department of the O.A.C. Recommendations for fertilizer are then made by Agricultural Representative J. A. Francis and Vegetable Specialist E. P. Muir.

Mrs. Donald Burt, Mill St., also entertained for Marilyn recently, when she held a mis-small boy trying to get his father to help him with his arithmetic.
