

LOVELL CHILDREN, WINNERS FROM THE START

LITTLE LINDA MARIE LOVELL (left) holds the cup awarded her last Saturday when she was judged Grand Champion in the annual Grand Valley Fair Baby Contest. But sisters Joanne, 8, and Connie, 4, (right), and brother Stephen, 7, aren't a bit envious — they know how it feels because they have won the Grand Valley Fair Baby Contest Championship when they were under a year. Joanne won the title in 1955, Stephen in 1956, and Connie in 1959. They are the children of Helen and Mervin Lovell, 248 Delrex Blvd., Georgetown residents for the past 4 1/2 years. When she was born in Georgetown and District Memorial Hospital last year, Linda Marie set a new weight record at 10 lbs. 5 ozs., which has since been surpassed.

Clubwomen Will Sponsor Careers Preview Again

The members of the Business and Professional Women's Club started their fall and winter season last Monday evening with a dinner meeting at the McGibbon Hotel. There was an excellent attendance of members and guests and the year got off to an encouraging beginning.

Miss Jean Mackenzie, president, presided and called for the minutes of the previous meeting and the treasurer's report. Mrs. Jean Rundle presented her report on "Careers Preview" and it was decided that the date this year would be the second week of February when, five more careers will be discussed with and by the girl students of the High School. The High School asked the club if they could get a club in town to sponsor such a program for the boys of the school on the same day and this project will be handled by Mrs. Rundle and her committee.

Mrs. Winifred Bigg gave a report and showed several brochures on the UNICEF Christmas card sale which the club will be handling this year. She reported that she will have boxes of supplies for the next meeting. Mrs. Wallace Thompson was appointed Emblem Chairman and will look after this for the coming term. Mrs. Aida Wilkinson and Mrs. Maurine Walker are Ways and Means Conveners.

Mrs. Aileen Bradley, Program Convener, discussed the programs for the coming year and it was decided by the members that they would like to hear someone from the Department of Indian Affairs, a speaker on pensions, on income tax and succession duties as they affect the status of women, and other pertinent topics.

An invitation was received from the Kinette Club to attend a dinner meeting of their

Chiropractor Attends Hamilton Convention

Gerald W. Corbett, D.C., attended the annual convention of the Ontario Chiropractic Association last Thursday, Friday and Saturday, at the Sheraton Connaught Hotel, Hamilton.

One of the topics of discussion was Medicare. New techniques for the treatment of children were also shown by Dr. Dan Spears of the Spear Chiropractic Hospital at Denver, Colorado.

Mr. Corbett recently established an office on Main Street

In the former Dr. Powers' dental office above Holmes' store. He graduated from the Canadian Memorial Chiropractic College in 1936, practiced in Toronto and is presently associated with the Thuna Clinic.

With his wife, Marleine, and children Stewart, Yvonne, Christopher and Diane, he has been a town resident at 16 Duncan Drive for the past four years. He has been treasurer of the George Kennedy Home and School Association and is a member of the executive of the B.A.C. at St. George's Anglican Church. He is a member of the O.C.A., C.C.A. and the Canadian Council of Chiropractic Roentgenologists.

NEW! LOWER-PRICED MADE-IN-CANADA DIESEL TRUCKS

Chevrolet's space-saving E80 90" cab model and rugged U80 Tilt-Cab models are now made in Canada, with resultant savings for you. These new Chevrolet Diesels have a 14" heavy-duty clutch and a 6V-53 GM Diesel engine (195-gross hp) to give you full engine efficiency at all loads and speeds.

NEW! 4 HUSKY FORWARD CONTROL MODELS WITH MORE USABLE LOAD SPACE!!!

Chevrolet has added 4 new Step Van King Models to its Forward Control line to give you the widest choice ever. With new space-planned interiors, work-proved engines, transmissions and suspension, these new Chevies are outstanding for multi-stop operations!

NEW! WIDER CHOICE OF AXLE SIZES IN CHEVROLET 60, 80 AND M80 SERIES WITH INCREASED LOAD CAPACITY

The new 18,500 lb. and 23,000 lb. rear axles for the Series 60 and 80 respectively and the new 34,000 lb. Tandem Bogie for the Series M80 widen Chevrolet's range of extra-heavy-duty power train options.

NEW! T60 TILT CAB TO GIVE YOU A WIDER CHOICE OF WHEELBASES

For 1964, Chevrolet has added a new 175" wheelbase chassis to broaden its line of T60 Tilt Cab models. This modern cab design becomes more popular each year because of its special advantages: big CA dimensions on short wheelbases, outstanding engine accessibility and more efficient weight distribution.

PLUS! CHEVROLET'S PROVEN RELIABILITY FEATURES!

Built-in with all these engineering improvements are Chevrolet's job-proved reliability features, including Variable-Rate Front Suspension, Independent Front Suspension on lighter models, work-tested engines, and extra-rugged chassis components.
