LEGION NOTES

Sing-a-long Snowballs Now It's One Busy Nite

by Don N. Platt

Sunny skies, 70 degree temperatures, and a beautiful golf course were insufficient as an inducement to ease out golf team in among the prize winners at the Legion Provincial Tournament last Saturday. This was understandable, however, when we heard that the winning scores were of the par-breaking variety. Our golfers weren't expected to be pros, just good, and that they were.

Scores of 81, 82, 83 and 100 were turned in by John Tindale, Andy St. Laurent, Jack Timpson and Al Sikes respectively. Al was a late runner in that, due to a combination on the part of Harry Chappel he was unable to play and Al kindly consented to play in Harry's place.

The greens at North Ridge course felt the touch of an expert, when on the 3rd, Al, with easy grace, sank a 60-foot putt. Then to prove it was no accident he moved onto the 4th and holed a 45-footer.

A rather new starting method was innovated at the tournament which certainly rufled down on the time consumed. Instead of waiting at the first tee and tearing off one after another, two foursomes were sent to each of the 18 tees on the course. Then, at a signal provided by a flare from the clubhouse, eighteen four-somes teed off simultaneously.

Jack Ferguson is back in his proper place facing the 'eighty-eight' which is now in the 'house'. The ladies take over the dart room and the shuffle board and the men are left to do what they are told.

The arrangements according to the initiators and the old standby alike, must be satisfactory, however, as nothing very bad has been heard of it.

Branch 120 wants the Saturday evening to be enjoyed by all and is interested in every one's ideas. As suggestions presented orally have a way of being forgotten we suggest that all ideas be directed to Ralph H. Wess and they will certainly receive consideration.

ONLY A WEEK AWAY

Our second two-weekly stag will be on in just over a week and a healthy turnout is expected. Members should remember that in addition to being a night out for the boys, it is also a vehicle for carrying new members into our branch. A member a prospective member and the branch will all benefit from the stag. Every Branch 120er comes through the door with a guest.

Both quantity and quality are reflected by the entertainment roster laid on for the 12th night, which is running all again is Friday, Oct. 18th.

KID HOCKEY DANCE

Here's a chance for the gals to partially make up for the fact that the men will have on the following weekend. The men will undoubtedly shoot the works at the stag leaving them incapable of dancing or for that matter even talking for some time to come. This chance to have a night out before the pole-dance hits will no doubt be welcome.

Two bucks lifted at night from the old man's pocket will purchase a ticket admitting one couple to the Legion Minor Hockey Dance on Friday, October 11th. As the Kid Hockey wants the dough and the gals want a dance every night, should be happy. All the regular amenities such as spot dance prizes will be provided and the festivities will run from 9 p.m. to some undetermined hour. Everybody is welcome.

NORVAL

Modern Culvert Replaces "Horse and Buggy" Bridge

We were pleased to note that the little "horse and buggy" bridge on the Town Line just south of the village has just been eliminated and a large, wide culvert put in its place. This narrow bridge was quite a dangerous hazard to modern day travel and the improvement has been long overdue.

Among those attending the New Democratic Party's dance and social held at the Steel Workers' Hall, Milton, Saturday, October 5th, guests of Mr. James H. Franco, New Democratic Party representative for Norval and District were Mr. and Mrs. Jeff Needham and various artists made with Mrs. and Mrs. K. Walter Hynd. Some of the items were a dress and hat, shopping bag, knitting bag, log bag, clothespin apron, bridge table cover, place mats, rugs and a picture. They also captured many other prizes in the various classes of flowers, fruit, vegetables, knitting, quilts, pictures, baking, etc.

Visiting with Mr. and Mrs. Keith Webb and Mr. and Mrs. Murray Laird for the past week were Mr. and Mrs. Harold Vessey of Ottawa. Mrs. Vessey is a sister of Keith and Mrs. Laird.

Mr. and Mrs. E. G. Todd enjoyed a two week vacation visiting relatives at Montana, U.S.A. and Montreal.

Congratulations to Mr. and Mrs. Gordon Ficker of Acton, formerly of Norval, on the birth of a baby boy. A brother for Mary, Carolyn, Susan and Bill.

Mr. and Mrs. C. D. Bright and Kimberley Anne enjoyed an 8 day motor trip to various spots of interest including the Bruce Peninsula, Muskoka and the Haliburtons.

Mrs. Julian Reed held a kitchen shower on Tuesday evening, October 1, for Miss Carol Mann of Georgetown in honour of her approaching marriage to Doug Fishburn.

Get well wishes are extended to Mrs. Harold Foster. She is a patient in Guelph Hospital.

Mr. and Mrs. F. J. McLean and Irene visited their aunt, Mrs. W. J. Stewart of Carleton Place in Stratford Hospital on Sunday, October 6th. Her grandson, Bob Stewart, is also a patient in the hospital.

Jaycees Planning Welcome-For Eagle Signal Firm

As a friendly gesture towards Georgetown's newest industry, businessmen and industrialists are being invited to a 'welcome dinner' on October 23 at North Halton Golf and Country Club, Eagle Signal Division of the E. W. Bliss Company of Canada Ltd., recently started production in the former Sykes Tool plant location on the highway.

Members of the Junior Chamber of Commerce conceived the idea that it would be a friendly gesture to let the firm know that Georgetown values their location here — and the dinner is the result.

Invitations will be in the mail within the next week and the Jaycees are hoping for a good response from guests invited who, incidentally, will be paying their own dinner fees.

The evening will be quite informal, with a few short remarks from civic leaders at the dinner and a social period at which personnel of the firm will be able to chat with Georgetown people.
