

DOWNTOWN MERCHANTS ANNOUNCE

FRIDAY and SATURDAY

Grand Opening OF THE Christmas shopping season!

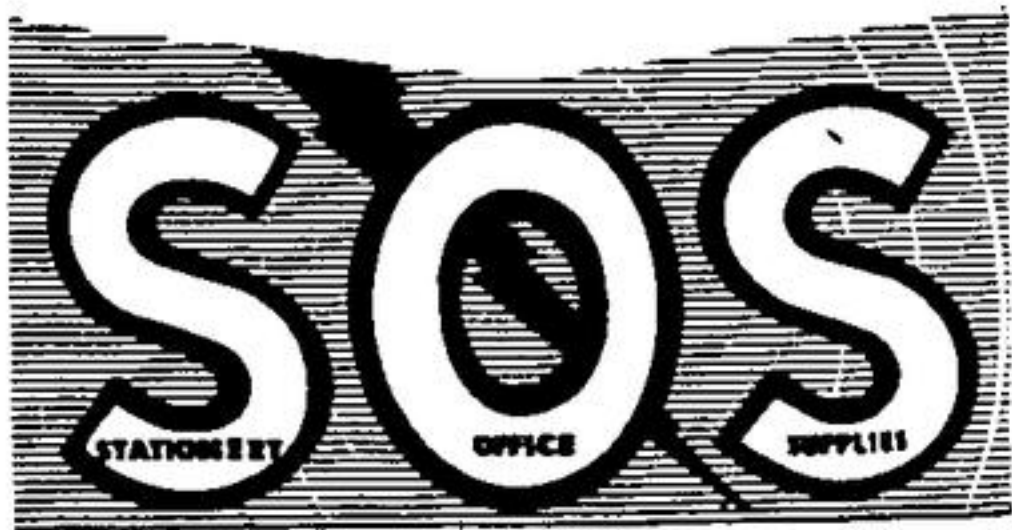

MAIN STREET IN OCTOBER. NICE WEATHER. DON'T LET IT FOOL YOU. THE WINTER WEATHER IS NEAR. AND THERE ARE ONLY 43 SHOPPING DAYS TILL CHRISTMAS.

Merchants, Progressive and Knowing,
Say Now is The Time To Buy

MOST MERCHANTS say now is the time to buy for Christmas, at a time when the buying is good. When asked why they felt this way they stated that at this time of year they have or are in the process of acquiring their Christmas stock and naturally one can expect a much better selection of gift ideas and a more elaborate selection of gifts than they will get in the last minute mad rush that comes on the week, or so often, the day before the 25th of Dec. Also it was stated that it often happens that the item a customer wants as a first choice for a gift is not always at the finger tips of the merchant and it is impossible to order this particular item on the day before Christmas and expect to see it under the tree. In order for you to be able to buy the gifts you want it is a good idea to buy and order as early as possible, why not today?
