ANYTHING TO SAVE A PENNY

TO PASSERS-BY IT looked like a motorist and friend had beaten the parking meters on Main St. by carrying a cutting and welding torch in the trunk of the car. These systems, by all appearances, was to pull into a parking spot, lower the goggles and slice off the ever-present coin swallower. But sometimes appearances are deceiving. The pair attacking the meter are town employees Hank Westerveld and Egan MacIsen, who worked up and down both sides of the street recently straightening meter poles which had taken too much abuse from erratic parkers.

Twin-Cee Expanding Move to New Plant

Another locally born industry, Twin-Cee Ltd., has outgrown its beginnings and will move into a new plant early in November. Twin-Cee Ltd., metal fabricators will leave their Water Street plant which has been home for the last three years since the inception of the company, for a newly built 4000 square foot building on Armstrong Avenue. Twin-Cee has done work for many local firms, including Smith and Stone Compact Manufacturing, Standard Products, and E. W. Bliss Co. In fact, the first shipment to the E. W. Bliss Co. was helped on its way by Twin-Cee. Why the name Twin-Cee? Currie and Coburn, whose names obviously, start with 'C' operate the company, hence Twin-Cee.

Georgetown, Esquimes Annexation Discussion

Nothing tangible resulted from a brief meeting of Esquimes and Georgetown Councils, Tuesday night in the Esquimes Municipal Building. At the meeting requested by Georgetown Council, no new proposals regarding Georgetown's proposed annexation of 45 acres in the South & Stone-Meadowden Growers area were forthcoming. Esquimes members simply listened. Among the other subjects covered was a suggestion by Georgetown that Esquimes give a grant to the Arena Building since their children use it. In reply it was pointed out that the children pay to use the Arena. Georgetown also asked Esquimes to pay \$40 a year for the maintenance of fire hydrants in the Beer subdivision on the 7th Lane, across from the golf course. It was left the Fire Chiefs from the three towns of Georgetown, Arton and Milton at the North Trafalgar Community Hall on Saturday night, Nov. 2nd, to honour Mr. and Mrs. Garry Hamilton, recent newcomers. The front of the hall was decorated with a pink and white streamer and white streamers and white streamers on the high end of the hall. The first part of the evening was spent playing cards, with the prize being a water, didn't have the same. Mrs. Winnie Hamilton, Mrs. Edna Hamilton, Herb Ford and William Hamilton. Following cards, the bride and groom were called to the front to receive their many, many and useful gifts for which they expressed their sincere thanks to all. A delicious lunch was served by Mrs. Albert McPherson. Mrs. Harold Ford, Mrs. Arthur Plant, Mrs. Ronald Plant and Genevieve Rutledge. The Hornby United Church YCW were kept busy on Wednesday at the site in a field on the farm of D. W. McIntosh where they had a booth. Hot dogs, sandwiches, pie and coffee were selling like hot cakes. Quilt, Tablecloth Prizes at St. John's Church Bazaar

Miss Maguire had a very pretty and attractive display of Christmas cards and gifts for which she took orders to be delivered at a later date. The bake table, where the good cooks of the community have the opportunity to display their talents was well laden with homemade bread, cakes, pies, tarts, cookies and candy. A tray of fudge cups caught the eye of not a few and quickly disappeared. Mrs. Fred Armstrong and Mrs. C. A. Grant were the sales ladies, and as usual were sold out.
