

CURLING HATTER

by Bob MacArthur from the

North Halton GOLF and COUNTRY CLUB

The first week of club curling has proceeded as the weather has passed into history. Bunk's lot a tricky problem until the that had strong teams on soft earth covering the under peer were beaten by them. When they are installed and it strong. But there will be many changes in the standings before the first draw has its course in mid-December.

Due partly to the warm weather and other causes, it was impossible to fill the club draw for last Saturday and it had to be cancelled. This Saturday will see the first of the open bonspiels of the season take place. This bonspiel is always hard to fill but at the time of writing it was hoped that the two draws would be filled.

Recently club president Earl Olsen and secretary Bob MacArthur attended the premier showing of the film "From Black to House" at the Westbury Hotel. The film was shot last May at the Humber rink and the main demonstrators were Ernie Richardson and Mrs. Joyce McKee. It is an instructional film and was sponsored by the Bow Brewers and Curlmaster Brooms. It is a member has the opportunity to see this film it is sure worth the time and effort. It explains the basic method of delivery and the strategy that enabled Ernie Richardson to capture the Dominion title four times and to win the Scotch Cup an equal number of times.

DUNLOP RUBBER TOO THICK FOR IRONS

ROD PRESSWOOD (2) and a Whiteby Dunlop forward circle in front of the vacant Georgetown net during third period of action in the Metro Junior game here Friday. The masked player (background) is goalie Robbie Irons who took a shower in Dunlop rubber as Whiteby trounced the Beavers 8-0.

SPORTSMEN OUTDOORS

BY FRED DARBY

Last week Sylvia Norton was able to add to her long list of accomplishments by being the first to shoot a hole-in-one in the history of the club. Her shot was a 100-yard drive from the tee to the hole in the 18th hole. This was a feat that had never been accomplished before in the history of the club. Sylvia's shot was a perfect example of the power and accuracy that can be achieved with a golf club. Her shot was a testament to her skill and dedication to the sport.

One of the recent developments in the world of sports is a radio that can be attached to a person's clothing. This device allows a person to listen to music or other audio content while they are engaged in an activity. This is a great convenience for many people, especially those who are on the go. The radio is small and lightweight, making it easy to carry around. It is also very durable and can withstand a lot of use.

The radio is a great example of how technology is being used to improve our lives. It allows us to enjoy our favorite music wherever we are. This is a great benefit for many people, especially those who are on the go. The radio is a great example of how technology is being used to improve our lives.

In addition to being a great convenience, the radio is also a great way to stay connected to the world. It allows us to listen to news, sports, and other information. This is a great benefit for many people, especially those who are on the go. The radio is a great example of how technology is being used to improve our lives.

If you are looking for a great way to improve your life, the radio is a great option. It is a great convenience and a great way to stay connected to the world. The radio is a great example of how technology is being used to improve our lives.

Beavers Drop First Rugged Game, After Seven Wins

Georgetown Beavers were handed their first reverse in a second half cross kick from its eight starts by going down 11-6 to OAVC Sunday, Nov. 10. The visitors sparked by Can-winger pounced on it to give adian international represent- the visitors a 6-3 lead. Gerry Wesells, showed fire and speed both on the line and in the backfield. The Guelph Aggies took an minute the Aggies gained a early lead when Wesells boot- scrub at the Beaver five yard ed a field goal from an in-fringe line and mishandling by the ment to put Georgetown three. Georgetown backfield led to points in arrears. The Beavers, without stal- the score 11-3. warts Funston and Klienstueb- Five minutes from time the er, found it hard to get started Beavers, not letting up, gained and only detergeny tackling a five yard Serum Gord Lee by Sandy Mackenzie stopped made the break for Les Judge the Collegians from going over for a TD. The convert was missed and half the Beavers found some of their old form and Les Judge kicked the equalizer at the 27th minute.

Two Quick Goals and Hockey Bantams Win

Two goals within 15 seconds of each other in the third period enabled Georgetown Bantams to open their home sch- date with a win here Tuesday, Nov. 12.

Trailing 4-0 on the board at the end of the first half, Georgetown students erupted with markers by McMeleons, Jones and McLeane from Kingston at 12:15 minutes. The comeback after a 15-minute rest.

The game was a fast-paced affair with both teams showing a lot of skill. The Bantams were able to capitalize on their early lead and maintain it throughout the game. The Beavers were unable to get back into the game and were eventually outplayed by the Bantams.

GLEAMING CHARIOT FROM DUMPED PUMPKIN

CYLINDER-ELLA STORY

The story of a 1931 Chrysler lifted off the junk heap and transformed into a gleaming piece of customized machinery reads like something out of a Walt Disney story. The discarded hulk, left by the maker of the customizing wizard of the Radical Club, and given a second life. At right the result of their building know-how. But it took more than a tap of magic wand to turn the dumped pumpkin into the gleaming chariot it now is. Members of the club have worked on their archaic orphan off and on for well over a year and more are still finishing touches to be added. The club's lab is a garage at Acme Grove. To the body the Radicals added a 1953 Chrysler engine with full carburetor, six carburetors, round end locked rear end and numerous other absent parts. They expect to have the gleaming road buggy on the pavement by the spring. With the staff at left are: Ron Copland, Wayne Presswood, Phil Rau, Barry Hamilton and Bob Donaldson. Obviously pleased with the result of the reawakening at right are: Bob Donaldson, John Macleod, Barry Hargreaves, Ron Copland and Larry Saunders.
