

Indians Take Beaver Pelts Player Help on the Way

Stobrook Indians took Beaver pelts here Friday night to reassure any doubters in the neck of the woods that the Eastern Division of the Metro Junior B league is their territory with an 11-1 triumph in front of 450 paid customers to witness their amazing record nine wins and a tie and no losses. The Indians carved Beaver's first goal in the first period and a tie and no losses. The Indians' no wins, a tie, and 9 defeats. Both teams are in their first year of Junior B. Player help joined Beavers' Sunday in the form of former Marlboro goalie John Went.

FIRST OF BEAVERS' AIR LIFT

JOHN WENT

Up until the last two games Georgetown was struggling between second and third in Eastern Division goals output making the sole reason for their lowly station lies in a defensive weakness.

If the blue line strengthens plan works Manager Asselin could join the ranks of the successful crystal ball gazer. Friday's debacle, of course did nothing for Beaver status, and a couple of sharp names like McGinnis and Ritchie took personal pride in pulling the rug from under a team that was all ready down. They each scored three times to pace their club's output.

O'Flaherty scored a pair and singles came from Donaldson, Greskol and Nubes. Rod Presswood saved Georgetown from a whitewash when he scored at 8:18 of the first period on a pass from Gudgoun. The score was 4-1 at the end of the first period, 6-1 after two.

Missing from defence were Kyle, no reason given, and Iden Cooper, who was at GIS Senior Commencement. Taking up some of the slack was Bob Hyde, an ex-Georgetown defender who hadn't played this year until Friday.

The balance of the rear-guard corps was Murray Marchmont, Rod Presswood, Wayne Rutill and Al Marchand.

Georgetown had 34 minutes in penalties including two minutes for misconduct. Stobrook had 32 minutes in penalties including one misconduct.

Raiders Bomb Milton 10-5 Rule Game a Tie with Chelt Next, Acton Monday Last Second Goal Shot

Georgetown Raiders swept into power in Georgetown Memorial Arena, election night, and it was five big votes from Raider retreat Bill Chard that helped them double the tally on Milton, 10-5.

This was Raider's fourth game in Western Ontario Athletic Association play and their first win - a decisive one in Milton, Sunday in Milton to which they looked for the first time like the formidable team their lineup indicates they could be.

Flashes of Milton pounce early and very late kept from being more of a runaway. Bill Milton scored the first two goals in the game, but sandwiched between the outbursts was Raider domination. They led 5-3 after the first twenty minutes and had Milton opened it to 9-3 at the end of the first.

Shanest performance came from Raider's second time around. Chard who fired five goals and collected two assists for a seven point night. Chard was part of the mix when that finally crashed Raider into the winners club.

A game of even buzzer intermediate A days. The 6th and 7th minutes will be played here or members of the warmed-over unit are big Dave Lyons and Jamie Cunningham. Each first time since the previous year to give the Raiders a one game production of six goals. Other Raider 1952-53 men were Dale Sefore, Paul Ward and

A disputed goal that will go into the books as scored with over 7 minutes left. Norval tied a 1-0 lead into the second and gave Oakville the equalizer. The game was over.

Jack Kemshead scored the first goal of the first period. Their first period goal. Their first period goal. Their first period goal. Their first period goal.

Paul Ward was the only Glen player to score more than once. Other marksmen were Bob Webster, Bud Haines, Ron Ritchie, Ed White and George Webster.

RAIDERS MEET TANNERS MONDAY

ART MURDOCK

JUNIOR BEAUMONT

Juniors in Win Column Debut for New Goalie

It took eleven games to do it but Georgetown Beavers won a hockey game Tuesday night in the battle of the red and whites. That ended with Georgetown's Art Schomburg.

A hundred and forty-seven fans watched Krasny skate and score the tiebreaker with less than three minutes to go. The win gives Beaver three points with one win, one tie and a tie. Schomburg at the top of the Eastern Metro Junior B Division has two wins.

The game marked the debut of Art Schomburg, who went out of the reasons that Schomburg left departed. Another was D. Selby, who in his first night scored three times, each assisted by Al Marshall. The other Beavers goal was an unassisted thrust by Glen Cooper.

Georgetown had 11 minutes in penalties and Schomburg's 20 minutes was not a bad record. Beavers are at Weston tomorrow night. They will be looking for a win.

SPORTSMEN OUTDOORS

BY FRED DARBY

With Christmas just around the corner this might be a good time to start thinking about that young sportsman or sportswoman in the family.

Many a wonderful Christmas has been spoiled because of some unfortunate accident. These accidents might never need happen if some precautions or foresight was used. Some are caused through the mixing of alcohol and cars or when an electrical current meets a drying out Christmas tree. Some, although to a lesser degree are caused when a dangerous weapon is put in the hands of an inexperienced or unprepared young outdoorsman or woman.

Let's look at this age-old report from the start. The giver might have gone to a store that sold these firearms as a side-line and was uninterested in making a sale. The giver may have had no experience in firearms and had to trust a salesman who had only a cursory knowledge of these firearms. It may have been given to a boy who wanted one but wouldn't know what to do with it if he got it. Any one of all of these conditions could be dangerous and may prove disastrous.

Now let's look at what could have happened. The giver could have gotten the advice of someone with experience in firearms if they lack it themselves. They could have informed the parent of their intentions and asked them if they were prepared to give such a gift. They could have sent a rider with the gift in the effect that until the receiver had been given proper instructions on the safe handling of such firearms they were not to be given the firearm as their own.
